You will be part of a specialist team that enthuses and inspires our students in the classroom and through extra-curricular opportunities. Geography is very popular at GCSE and A level and achieves excellent results. You will have the expertise to teach across all key stages. The department is well-resourced and students benefit from a significant number of field trips and excursions at all levels of the school.

Applications are equally welcome from experienced and newly qualified teachers. NQTs are offered the option of a 1st July start date and we have an active NQT programme to support and develop new teachers.

Parmiter's is an exceptional school in which to teach, with highly positive and supportive relationships between the staff and students. Parmiter's coordinates Teacher Training for the Herts and Bucks Teaching School Alliance and offers a robust induction programme, complemented by a bespoke CPD programme supporting colleagues at all stages of their careers. We are able to support the completion of an MA for candidates with the appropriate credits. Our admissions policy prioritises children of staff.
