Due to our ongoing expansion and our desire to maintain our small class sizes, we wish to recruit additional teachers in the following subject areas:

- **English**
- **Psychology**
- **Sociology**
- **Religious Studies**
- **Sciences (Biology, Chemistry, Physics)**
- **Maths/Further Maths**
- **Geography**
- **Economics**
- **History**
- **Computer Science**
- **Languages (French, German or Spanish)**

Brampton Manor Academy, a state school in the London Borough of Newham, is in the business of changing lives. Whilst the majority of our students are from disadvantaged backgrounds we passionately believe this has no impact on what they can go on to achieve; indeed, we see it as our mission to help them dream big and go on to live successful and fulfilling lives.

We are delighted that 41 of our Year 13 students have received conditional offers to study at the universities of Oxford and Cambridge this year but know this is only the start of what our students are able to achieve. We are currently seeking highly qualified and ambitious teachers in all subject areas to inspire the next generation of Brampton students. Ranked in the top ten schools in the country for pupil progress at both GCSE and A Level and rated 'Outstanding' by Ofsted in all categories in both 2012 and 2018, Brampton Manor Academy is a dynamic school that is proud of what it has achieved but is not complacent about the challenges that lie ahead; we are constantly seeking ways to further improve the quality of education on offer to the young people in our care, knowing the transformative impact it can have on their life chances.

Our students can only achieve this success with the help of inspirational and talented teachers. We are keen to hear from anyone who shares our vision and wants to be a part of it. Whether you are a newly qualified teacher or an experienced teacher looking for a new challenge, you will receive unrivalled professional development opportunities in a large and expanding school. Most significantly, though, you will derive immense satisfaction from sharing your passion for your subject with ambitious students who are hungry to learn.

You will have an opportunity to teach our mixed ability cohort in Years 7-11 and our highly selective Sixth Form students, who join us from more than 60 local secondary schools each year with the expressed desire to progress to study at Oxbridge/Russell Group universities. With the majority of our students from disadvantaged backgrounds and the vast majority of our Sixth Formers the first in their family to progress to university, this is a unique opportunity to make a tangible contribution to social mobility by using the knowledge you have acquired in your education to date.

If this is a role that interests you, please complete the Teacher application form on our website and send it to jobs@bramptonmanor.org.

Interviews will be conducted on a rolling basis as applications are received.
