

## Science Technician

Required for September 2025

Full time, 35 hours per week, Monday to Friday, Term time only

Scale 4, spine points 7-10, £26,527 to £28,328 (actual salary)

Closing date, 9.00am on Friday 13<sup>th</sup> June 2025

Interviews, Tuesday 17<sup>th</sup> June 2025

We wish to appoint a committed and enthusiastic individual to work in our Science Department. The role of Science Technician supports the teaching and learning of the department by being responsible for ensuring that students work in a safe and well equipped environment for practical work.

As a Science Technician you will:

- Prepare, set up, and dismantle laboratory experiment for a variety of science practicals.
- Manage and maintain laboratory equipment, ensuring functionality and safety.
- Assist teachers in creating engaging and interactive science lessons.
- Assist the Senior Science Technician in organising and managing inventory, ensuring well-stocked and organised laboratories.
- Previous experience of working within a school laboratory and a degree in Science would be desirable for this post. You must be able to work on your own initiative and have the ability to organise and prioritise tasks.

If you have the experience, enthusiasm, and commitment to make a difference in a thriving science department, we would love to hear from you!

*Bow School is committed to safeguarding and promoting the welfare of our students and expects all staff and volunteers to share this commitment. This post is subject to an Enhanced Disclosure and the successful applicant will be subject to relevant vetting checks before an offer of appointment is confirmed and will be subject to rechecking thereafter, as appropriate.*

### We Offer

- A strong personalised programme of high quality professional development and coaching for teachers and support staff
- Strong links with other local schools for partnership working and support
- A strong community spirit
- Staff Wellbeing Programme
- Cycle to Work Scheme
- Tech Scheme
- Fitness Room
