It is important to us that you enjoy your time working at Ridgewood, and that you feel able to give 100% in a supportive, innovative and high-energy environment. Our team of staff and governors are dedicated to ensuring that all our students reach their full potential, and that staff also feel they can be the best they can be.

The successful applicant will join a school community of friendly, committed and enthusiastic teaching and support staff. We believe that the best results come when we all work together, and we hope that the successful applicant will soon become part of our community and feel part of our inclusive ethos.

Ridgewood School is very proud of what it offers both students and staff. The opportunities students are given to develop their talents and skills are matched by the opportunities staff receive to develop their practice, enhance their knowledge and become better teachers every day.

I hope you feel that Ridgewood is the right school for you. We believe there is a lot we can offer those who choose to come and work here. If you would like to arrange a visit to the school, please speak to Frances Hamlet who will be happy to arrange it. I look forward to receiving your application.

Maggie Dunn

About Ridgewood School

“We want every student who leaves Ridgewood School to aspire to achieve beyond what they thought they could do when they first started with us. Our core values emphasise high standards, pride in everything we do, and working together as school community to achieve the best, both inside and beyond the classroom. Nobody at Ridgewood settles for second best. It is important to us that our students not only achieve great results, but develop as people who are ready to meet any challenges they face in the future with confidence and self-assurance. We want to give our students opportunities that let them grow both intellectually and personally, and enable them to develop their own unique characters. Students at Ridgewood are given the means to contribute to both our school community and the wider community beyond. We educate the whole child so that students immerse themselves wholeheartedly in school life, and leave with a desire to contribute to society.

We offer our students an environment in which they can flourish, and see the results of their own hard work pay off. Training and Development Opportunities

At Ridgewood, we believe that the effective training, support and development of our staff enables them to be the best they can be, and to give our students an exceptional teaching experience. Ridgewood offers its staff bespoke packages which are tailored to their career point and path, and which encourage them to become reflective, enthusiastic and expert practitioners.

Our CPD is varied and matched to the needs of our staff, both teaching and associate. Teaching staff engage in whole school training in teaching and learning, understanding our school systems and quality assuring data, as well as benefitting from Hyperion, our coaching programme which focuses on classroom practice over a seven week cycle. Our Lead Practitioners take staff through a personal journey where they seek to develop a specialist area of their practice and become accomplished and confident practitioners.

At Ridgewood, we also value a variety of forms of CPD. Training, coaching, shadowing of roles, one-to-one support, and project-based development can be organised in order to support staff to develop effectively in their jobs, and to understand how to make the next step in their career.

Our unique Oracle Leadership Development Programme offers all staff the chance to access training based on their own needs and aspirations, and matches training available to our ten Ridgewood Leadership Traits, which have been developed to promote effective leadership in all areas of the school.

| | |
|--|------------------------------------|
| Setting high expectations | Managing and leading people |
| Showing ambition | Change management |
| Understanding the school's effectiveness | Introducing new initiatives |
| Taking risks | Developing a leadership style |
| Reflecting on and debating experiences | Driving and sustaining improvement |

Staff benefit from being able to select CPD to undertake at a time which suits them, and in a format which matches their learning style. All CPD is also recorded centrally, so staff have a comprehensive record of the training they have taken part in each year, and can use this to develop their own training package as they progress through their career.

Our Curriculum

Our academic curriculum aims to offer students of all abilities and talents an opportunity to develop their knowledge and skills across a wide variety of subjects. We are committed to providing a curriculum which is challenging yet accessible, and which fosters a love of learning, as well as enabling students to achieve success in exams and assessments. Students follow a two-week timetable in order to maximise learning time. We regularly review our curriculum, to ensure that the needs of all our students are being met. More details of each subject can be found on our website.

Our Extra-Curricular Opportunities

Because we value a rounded education, our students have access to an extremely wide range of extra-curricular opportunities and trips. We firmly believe that students get out of school what they put in to it, so we encourage our students of all ages to get actively involved in the many clubs on offer.

Trips

Experiencing 'real world' versions of what students are taught in a classroom helps embed learning and broaden students' knowledge and understanding. Our geographers undertake field trips to Sheffield and Hornsea, whilst our English and Drama students get the chance to watch professional theatre productions of the texts they study in lessons, last year seeing *Cymbeline* and *Rebecca*, amongst others. Productions by the Royal Shakespeare Company are also streamed live to the school, meaning our students only need venture as far as our Faraday auditorium in order to experience world class theatre! Our Engineering students get to see how engineers work on a massive scale, and visit current building projects to witness first-hand the theory they learn in class.

Clubs

Within school, there are over thirty clubs that students can join. These range from those aimed at students who enjoy sport (badminton, hockey, rugby, football, netball, basketball) to those for our aspiring businessmen and women, including the prestigious Young Enterprise initiative. We are also lucky enough to have our own dedicated Lego Suite, where we offer clubs, competitions and programming. For students interested in performing arts and the theatre, activities take place on a daily basis. The Theatre Lighting Tech Group learn the skills behind lighting a stage production, whilst the PATCH students receive a bespoke weekly arts provision, covering singing, dancing and acting, and culminating in a range of spectacular concerts throughout the year. We also submit entries to Connections, a high profile National Theatre competition, and the South Yorkshire Road Safety competition, which we won two years in a row. Our Music department is thriving, offering everything from African drumming to our contemporary choir 'Vocal Beatz'. Our brand new suite of iMacs also enables us to offer cutting edge tuition in music technology alongside our more traditional string ensemble and concert band.

Our House System

Our house system is all about ensuring that students become well-rounded individuals who contribute and get involved, whatever their talent or passion. It provides every student in the school with a plethora of opportunities to engage in competitions, support and mentor others, represent the school in a range of activities, and learn what it means to be part of a community. We are extremely proud of our house system.

Overview of our House System

When students arrive at Ridgewood, they are assigned to one of four houses: Imperatrix, Voltigeur, Ambidexter or Margrave. These houses reflect both our geographical location in Doncaster, and the history of the area. Each house is led by a Head of House. This role is taken by a member of our Post-16 community who takes on responsibility for overall leadership of the house, and who co-ordinates a team of prefects from years 7-11. Prefects are also leaders; they co-ordinate house-based events and may help out throughout the year at events such as Open Evening and with our Y6 visitors during Transition Week. To be a prefect or Head of House is to take on a position of great pride.

Our Rewards and Character Curriculum

Ridgewood has its own unique approach to PSHE (personal, social, and health education) which we call our 'Character Curriculum'. This is delivered by a form tutor in a designated session at the end of each day. Students get the chance to speak to their form tutor as their primary pastoral point of contact, and to undertake a range of stimulating and thought-provoking activities which are designed to help them understand their own personal development, and to become better citizens.

Assemblies also link these ideas together, and are a chance for students to celebrate what they have learnt and discovered about British values and our twenty-first century society. Importantly, Character Curriculum time is used to deliver our 'Prevent' agenda and to ensure that students are aware of the dangers of radicalisation.

Our Character Curriculum enables us to deliver our vision for PSHE: 'everyone striving to be the best citizen they can be'.

ALTUS

The Latin word 'altus' means high, noble or profound. We thought this was an appropriate way to describe the students who achieve this status at Ridgewood, and so we developed the Altus reward scheme in order to recognise outstanding effort and attitude. As well as having a Latin meaning, we have also attributed the qualities of our Altus students to each letter of the word:

A is for attitude

L is for leadership

T is for teamwork

U is for understanding

S is for success

After each round of Creating Futures data has been entered and distributed to students and their parents, those students who are on or above target in every subject, and who display a 'Motivated' or 'Outstanding' attitude in all their subjects, will be rewarded with an Altus badge in a special Altus assembly.

Behaviour for Learning

Our Behaviour for Learning policy (BfL) ensures that students are able to learn and work without distractions, and that praise is at the forefront of every lesson. It has four simple rules which students must follow:

- Remain on-task at all times
- Remain silent when the teacher is talking
- Speak to other people in a pleasant way
- Do not touch another student

Those students who do not follow these rules will receive consequences which may lead to an after school detention if the rules are consistently broken. Students who follow the rules will receive praise from their teachers, and will be eligible for the Altus reward system. We strive to create an environment where teachers can teach, and students can learn.

Sixth Form

In 2018 80% of our Sixth Form students have gone on to study at University, with one in three gaining a place in a prestigious Russell Group university. Four students successfully achieved placements on very competitive Higher Degree Apprenticeships and 15% secured placements on apprenticeships.

Facilities

We have excellent facilities, many of which are uniquely available to our Sixth Form students in our Faraday Sixth Form Centre.

- A purpose built Sixth Form Centre which includes subject-specific classrooms
- Purpose built Science and STEM laboratories
- Resource centres housing key texts, journals and access to bookable equipment such as tablets and digital cameras
- Several IT suites
- A 200-seat, multi-use auditorium
- A mix of study and social spaces
- A café

As well as the facilities in the Sixth Form Centre, students have access to main school facilities.

- A gymnasium, a full sized sports hall, a fitness room, three 5-a-side football pitches, one 9-a-side football pitch, two 11-a-side football pitches, one full sized rugby pitch and recently refurbished multi-purpose courts.
- An iMac suite featuring 26 iMacs with MIDI keyboards with Sibelius, Garage Band and Logic Pro X software
- Six fully restored music practice rooms (benefitting from an electric drum kit, keyboard, guitar, bass, microphone and multi-channel amp)
- Laser cutters, 3D printers, CNC Milling machines, and a range of state of the art engineering facilities
- A kiln for clay work
- Validus, a dedicated wellbeing centre equipped to meet the needs of all our young people

Activities and Events

Duke of Edinburgh Gold Award

A highly prestigious, nationally recognised qualification offered to all Sixth Form students, D of E enables students to develop a vast range of skills, both physical and mental, and they are supported by specialist, highly trained staff.

Young Enterprise

Students involved with the Young Enterprise programme at Ridgewood have won almost 40 awards in just four years – an amazing achievement. The programme provides students with the opportunity to run their own business, source finance, manufacture a product and sell it to members of the public.

Sports Leaders Award Level 3

For those studying PE at Sixth Form, there is an opportunity to take part in the Sports Leaders Award programme. As part of this scheme, students have the opportunity to lead on a particular area of sport, and to design and deliver sessions to others to help improve fitness.

National Citizens Service (NCS)

Ridgewood School is proud of having formed an exciting partnership with the Doncaster Rovers Club Foundation in order to provide students with opportunities to take part in the NCS programme. Students complete the scheme during the summer holidays and spend two weeks away from home; the first week involves a residential activity and the second week is spent volunteering within local charities.

Camps International

Last year a group of students participated in an exciting once-in-a-lifetime trip to Tanzania, co-ordinated by Camps International. As part of the programme, students volunteered for two weeks within a Tanzanian village, helping to develop vital infrastructure including schools, medical centres and houses. They spent a further week taking part in a PADI scuba diving course, leading to their first PADI qualification.

Internships

Students in Year 12 complete a week-long internship within a professional working environment and we are fortunate to have access to a wide range of internship providers from finance to the motor industry, and healthcare settings to education. We work closely with our students at all stages of the process to ensure that they are matched to the appropriate internship placement.

The internship scheme truly enables students to expand their horizons, experience a taste of the careers they wish to pursue and in some cases, provide opportunities for a taste of independent living. Vital relationships have been developed as a direct result of internships, particularly in the field of medicine where students have the opportunity to live away from home for a week whilst working at The James Cook Hospital in Middlesbrough. Students are not confined to the local area for their placements, and some have taken this chance to complete placements in France and Spain. As well as providing students with a unique window into a potential future career, the scheme has also allowed them to establish key contacts and points of reference that they can use throughout their careers.

Validus

We are extremely proud to be able to offer our staff and students Validus, a dedicated wellbeing centre equipped to meet the needs of all our young people and staff.

Validus provides a programme of holistic support, including qualified counselling support, professional and targeted support for young people experiencing issues, and specialist support for those pupil experiencing stress, anxiety, depression and low mood. It also raises the profile of wellbeing for all young people and staff and effectively supports our wider school teams. This outstanding facility enables us to effectively coordinate safeguarding, child protection, welfare and health concerns through one central hub and to provide opportunities for working with families and the wider community. It is also an appropriate and confidential venue for external agency workers working with young people and their families in school. Each room in Validus has a dedicated purpose designed to meet young people's specific needs.
