Our Schools

Fort Pitt Grammar School

Fort Pitt is full of history. The school- site, looks down over the surrounding area over the River Medway. The original building on the site was completed in 1815 when is housed a fort then converting to a military hospital. There is still evidence of this period in the school, which is called the Crimea wing, and in 1860 Florence Nightingale chose the site to house a temporary new

medical school. Building work was required 1973 due to a school fire that destroyed the hall, dining room, classrooms, staff room and head teacher's office. The school has continued to expand and in 2018 completed construction of a new dedicated two- story science building with 9 dedicated classrooms having state-of-the-art equipment and resources. Fort Pitt site is presently undergoing significant capital investment and is in process of changes to a co-educational facility.

Balfour Junior School

The school is a community Junior co-educational school catering for 480 pupils of 7-11 years of age. It is housed in a one-storey building, close to the town centre. It has 17 fully equipped teaching classrooms with attached activity areas, an ICT suite and library. The site also has the benefit of extensive grounds.

Phoenix Primary School

The school has 14 enlarged self-contained classrooms – each with up-to-date technology including: touch screen whiteboard. There is an Art and Design Technology room, ICT Suite, 3 dedicated library areas. The main hall is used for Assemblies and PE.

An off-site field and an all-weather sports pitch on site. There is also a garden, where the pupil's plants and grow their own produce.

The Thomas Aveling School

This provides all staff with additional opportunities to mix with colleagues from other schools and take part in cross-Trust initiatives – providing an extra dimension to development. Facilities on site are also open for community use and include Sports Hall, Gym, All-Weather Astro Pitch (International Hockey standard), Multi-Play (Floodlit) Football Pitches, Performing Arts Centre incorporating Drama and Dance Facilities, Recording Studio, Conference room, The School Hall (with stage and lighting) Teaching rooms, 6th Form and Diploma Centre.

The site has recently benefitted from the development of a new teaching block enhancement to the sports hall and an extensive MUGA over its tennis and five a side facility.

The Robert Napier School

Based in the heart of the Medway Towns, The Robert Napier School is a non-selective, mixed secondary school of 1100 students, including 130 in the Sixth Form. The school is an eclectic mix of the old and the new, with the original buildings constructed in the 1850s when the school was the original 'Gillingham Grammar School'. Since then, the school has grown to include a range of buildings, the most recent being the 'Caxton' block, formally opened in 2011.

The school has excellent facilities including state of the art ICT provision, a purpose-built lecture theatre, retractable bleacher seating in the hall to accommodate up to 380 people, a permanent stage with full lighting and sound rig, a multi-use games area, large playing fields and excellent sports facilities.
