April 2021

Dear Candidate,

Thank you for your interest in being a part of St John's Primary School.

What we offer here is quite simply exceptional - from bespoke professional support and development to a jaw-dropping state of the art building. If you are looking to expand and develop yourself in an exceptional physical environment and want to join us in transforming a good school into an exceptional school come and join one of our tours.

This is a great place to work and provides real opportunity to progress your career should you wish to do so. We comprise of a two form entry primary school with two Additional Resource Provisions (ARPs) for speech and language. Our ARP's provide Speech and Language provision for the entire borough and this brings with it a wealth of specialist expertise, resources and an abundance of pedagogical knowledge which is shared with our staff.

The school building is spectacular. It was completed in January 2018 and is a £15 million Conran designed, state of the art, design award winning school which must be seen to be appreciated. This means that our staff and children spend their day in a comfortable remarkable environment.

We value our staff, as our greatest resource, and we provide exceptional training so that they deliver inspiring, creative and enjoyable learning experiences to our fabulous children. Whatever stage of your career or whatever career path you wish to pursue, you will excel, flourish and improve your practice immeasurably here. *"My teaching has improved enormously and I have built on previously developed skills which have improved immensely."* - Upper Pay Scale teacher.

In September 2019, I joined the school as the new Head teacher. This is my third headship post and I am hugely excited at the journey ahead as the school has all the ingredients to become a world class school. I believe that no one can be expected to undertake any role within a school without guidance, coaching and support and that is exactly what we provide at all levels.

During my leadership career, I have coached and supported 6 Deputy head teachers who now hold headship positions - 5 of those lead "Outstanding" schools. I have promoted countless internal candidates to middle and senior leadership positions because of the support they have been given. I believe that a knowledgeable, skilled workforce creates a happy and confident staff who can deliver exceptional outcomes. I also support many schools across the region as a National Leader of Education.

St John's Primary is located in Ealing which boasts the best transport links of any London Borough. The school is a two-minute walk from West Ealing station which is a Crossrail station that will only be a 10 minute journey into Oxford Street. Ealing Broadway is a vibrant and exciting cultural centre, and is home to many shops, restaurants and parks. As one of London's busiest boroughs, there are all the recreational facilities you would expect with museums, a local theatre, cinemas, galleries and an eclectic mix of restaurants to choose from. Shepherd's Bush is close by, providing access to Westfield shopping centre.

We have **socially distanced** school tours planned for candidates on:

- Tuesday 4th May – 8.45am or 3.45pm
