BACKGROUND INFORMATION

Blenheim has been under new leadership since April 2017. The school became Surrey's most improved secondary school in the 2017-18 academic year, was categorised as 'good' in all areas in May 2019 and attained its best GCSE results in the summer of 2019. In the summer of 2020, 5% of departing sixth form students secured places at Oxbridge and in January 2021 Blenheim was confirmed as Surrey's most improved school for the number of first preference Year 7 applications, an increase of 26%. A number of comprehensive measures are in place that have improved the consistency of teaching, the quality of assessments and the impact of feedback, so that all students now make good or better progress. At the heart of the school's recent successes has been the comprehensive and consistent implementation of formative assessment across the curriculum.

Blenheim is a dynamic, exciting and supportive environment in which to work. The school opened in September 1997 with one year group and has grown to its current size of 1275 students on roll including 200 in the Sixth Form. Blenheim is a mixed comprehensive and our reputation in the community is excellent. The intake comprises of students from all surrounding areas with ability levels being favourable; over 50% of all students have high prior attainment at the end of Key Stage 2. In recent years the school's popularity has grown significantly, as detailed below:

In 2019, Blenheim was characterised as a 'good' school following a Section 5 Ofsted inspection. Please [click here](#) to read the Ofsted Report. Ofsted commented that the vast majority of the school's previous weaknesses had been rectified and that the school now had excellent capacity to continue improving. The Headteacher, Mr A A Bodell, has made a long term commitment to Blenheim.

Blenheim converted to Academy Status in March 2012 and has developed many community and primary school links. Blenheim is a well-resourced school and is fortunate to have outstanding facilities including modern buildings, large grounds, an AstroTurf pitch, bespoke sixth form facilities and grass football and rugby pitches. The school has a significant capital reserve with complete autonomy to invest. Together with a very supportive and well qualified governing body the school has invested significantly in several areas, not least in the appointment of high-quality practitioners and site infrastructure. Our buildings have recently received an internal £350,000 face lift. Visitors now comment on the calm, purposeful learning environment that pervades. Blenheim has an iPad for learning scheme through which 98% of students own an iPad. Naturally, teaching staff need to be willing to engage with new technologies and to want to develop their pedagogy.
