Position: Class Teacher with possible subject leadership responsibility for a suitably qualified candidate

Dear Applicant

Thank you for your interest in the position of Class Teacher at Race Leys Junior School. As part of the Griffin Schools Trust family we believe in proud traditions, wide horizons and high achievement.

We are at a very exciting stage of the school's journey in embedding this vision and the successful candidate will be instrumental in contributing to the ongoing development of the school so that the education and care it offers for our pupils is truly 'first class'. In our Ofsted inspection of February 2019 we were recognised as a "rapidly improving" school and judged to be good in all areas. Our next goal is to be recognised as an outstanding school providing a first class education within our community. We would love you to be able to join our dynamic, energetic and great team for the journey ahead. As a member of our school team you will be made to feel welcome; be able to develop your career in a supportive and forward thinking school, and work alongside a dedicated team of professionals both within the school and in our partner schools within the Griffin Schools Trust.

Enclosed with this letter is more information about the Trust, the school and the role. Please note that the closing date for the above post is Friday 5 July 2019 and to be shortlisted you will need to meet the application requirements set out in the information enclosed with this letter.

Candidates will be observed teaching as part of the assessment process. Interviews will be held on Wednesday 10 July 2019.

Further details about the interview and assessment process will be sent to shortlisted candidates.

Should you not hear by the interview date please assume that you were not successful this time. We strongly encourage visits to the school and look forward to welcoming you to our school.

Once again, thank you for showing an interest in Race Leys Junior School and the Griffin Schools Trust.

Yours faithfully

Suzanne Edwards
