Dear Colleague

## Teacher of Science

Thank you very much for expressing an interest in the above post.

This post provides an exciting opportunity to contribute to the success of students at Woodbrook Vale. You will find our prospectus and other useful information on our website <http://www.wbvs.co.uk>.

We are a popular and growing school with a number on roll of 800 (August 2017). We have excellent facilities and resources that support teaching and learning, including eight new classrooms and a new science laboratory. We built an on-site Sports Hall during 2015 and have extended the school's dining facilities to accommodate our increased student numbers. All classrooms have interactive whiteboards and all teachers are provided with a laptop. On-going professional development is a priority for all staff at Woodbrook Vale.

I enclose a job description and person specification which I hope you will find helpful in making your application. Please keep your covering letter to no more than two sides of A4. The closing date for the application is **midday Monday 25 September 2017** and interviews will take place **Friday 29 September 2017**.

For more information about this role please email Peter Hayes, Assistant Headteacher on: [phayes@wbvs.co.uk](mailto:phayes@wbvs.co.uk).

Please email your completed application and covering letter to the Headteacher's PA, Penny Bradshaw on: [pbradshaw@wbvs.co.uk](mailto:pbradshaw@wbvs.co.uk)

I fully appreciate the time and effort required in completing an application and whatever the outcome of this particular process, I thank you for your interest in working at Woodbrook Vale School and wish you every success with your future career aspirations.

I look forward to receiving your application.

Yours sincerely
