

Curriculum Leader of Physical Education: MPS/UPS & TLR 1b

Job Description

What the Curriculum Leader for PE will do:

Your roles and responsibilities:

- Promote the highest possible standards of achievement in PE for all students (including those for whom we receive a pupil premium, or those that have additional educational needs)
- Ensure that students achieve or exceed their targets in the curriculum delivery of PE
- Develop a vibrant and exciting curriculum for all learners
- Raise the quality of curriculum and teaching by defining and implementing appropriate improvement targets and having a clear long term strategy
- Lead, manage and develop staff and visitors who contribute to the curriculum area
- Develop an interest in PE in all learners including coordinating an exciting range of extracurricular opportunities
- Promote participation in PE including the numbers of students following programmes of study in these areas at KS4

As Curriculum Leader for PE your department must have:

- Clear, written aims, plans and objectives
- An agreed Raising Achievement Plan
- Agreed schemes of work which include all students
- An agreed SEF evaluating strengths and weaknesses
- High quality assessment and feedback
- Clear, simple records on pupils' progress
- Analysis of standards and how well different groups are doing
- Regular, minuted meetings
- Planned professional development
- Well deployed resources, including support staff
- Plentiful, accessible and high quality resources, often available online
- Robust health and safety procedures including risk assessments
