Assistant Headteacher (Behaviour) Candidate Pack

HIGH SCHOOL

Welcome from the CEO.

Dear applicant,

Thank you for registering your interest in joining Pontefract Academies Trust. I hope the information provided will interest you and help you with the application process. Pontefract Academies Trust is a cross-phase Multi Academy Trust comprising six primaries and two 11-16 secondary schools. Currently, our schools are located within a tight geographic hub within Pontefract, with students drawn from the local community, including different catchment areas.

As the Chief Executive Officer of the Trust, I am excited by the opportunities that the next phase of our development will bring. Our family of schools has moved forward at some pace since 2018, and we aim to continue this trajectory and emerge from the pandemic with excellent outcomes and continuous improvement. As we enter the new academic year, the Trust has refreshed its strategic plan to reflect the next phase of its development. The Trust is clear on its strategic priorities and what levers we have to pull to deliver on our mission of running high achieving schools. The Trust is well positioned with a growing reputation for school improvement across the region, is financially solid and sustainable, and all of our schools collaborate strongly. I urge you to read the Trust Strategic Plan for 2021-2024 for more detail.

Pre-Covid, our six primary schools, delivered their best SATs outcomes. All primary schools achieved their highest attainment figures in meeting the national reading writing, and maths standards. From a starting position of 12% below the national average, the Trust is now 12% above and is the 22nd highest performing Multi Academy Trust in the country on this measure. In addition, our two secondary schools obtained their best outcomes; the Trust moved one of our secondary schools from special measures to a 'good' Ofsted judgment in just over twelve months. I am delighted that the journey over the last two years has seen our people shape and influence the vision and guiding principles of the Trust.

The geographic concentration of our Trust provides us with unique opportunities. Most of our students start their education in a Trust school in nursery or reception and are with us until they are sixteen. Essentially, the Trust and its schools provide an all-through education for most students of compulsory school age in Pontefract. The opportunities this affords us are enormous if one sees the journey from the early years to 16. Looking at the opportunities through such a lens and with this mindset, the possibilities become very apparent. We are not there yet, we have made a great start in benefitting from the opportunities of a "through school mindset", for example:

- The opportunity to raise attainment in all stages reduces any performance dips when students transfer.
- Effective curriculum planning and delivery so that the gaps students pick up in a subject, for example, in Year 7, can be traced back to how the subject may have been taught in Year 5. Effective curriculum planning across phases can reduce what Ofsted calls "cumulative dysfluency" – i.e., the dangers of missing knowledge. Planning not bound by phase boundaries can help students and staff.
- Improved pastoral care and the transition between phases by a more "joined-up approach" with all students, particularly
 those most vulnerable with SEND and additional needs.
- Improved teaching and learning by developing our rubric, sharing expertise across phases, and creating enhanced opportunities for recruitment, retention, and deployment of staff.

So, what are we looking for? Firstly, we wish to appoint positive people who want to make a difference. Being a leader at the Trust means understanding the importance of the softer skills of leadership such as the ability to communicate well, collaborate and influence a range of internal and external stakeholders. Our school leaders are achievement focused, with a strong belief in inclusive schools. You will be passionate, highly driven and have the opportunity to play a significant role in the next phase of the Trusts development.

We wish to appoint people that understand and believe in our guiding principles and values. If successful, you will be joining the Trust at an exciting time to help. Of course, it is essential that we get the right people on board – people that are not precious or territorial. We want to hear from flexible people, who with 100% backing and support, will get their hands dirty with some of our biggest school improvement challenges. Succeeding with some of our most significant projects will bring more considerable advancement and rewards for the right person.

I hope this introductory letter provides a sense of our culture and ethos and our direction of travel. If you decide to apply, we appreciate how long it takes to apply for jobs, but please do not send a general letter; we are looking for someone prepared to respond to us, respecting where we are at on our journey as a Trust. You can be sure that we will take time and care in reading your application form and covering letter.

Julian Appleyard OBE CEO

Introductory message from Mrs Shariff, Headteacher.

Our vision is quite simply to care for our students and to push them beyond their potential all in order to increase their life chances. This really matters; academic results coupled with character development, open doors for young people and can be life changing.

We are an award winning school, Most Improved in The North 2020. Our students attain outstanding outcomes. Year 11 2021-22 attained the strongest results the school has ever achieved. I have no doubt that as a school we will continue these successes both academically and personally for our students. This is testament to the hard work and commitment of our students and staff and puts us firmly on our journey to being the Outstanding school that our students and community deserve.

We are looking for an exceptional leader who will be committed to our mantra of 'culture + consistency = excellence'. A leader who understands true leadership and will bring considerable passion and high energy and play a pivotal part in our journey to becoming an outstanding school. You will have the opportunity to work with like-minded individuals to make a real lasting and positive impact on our community.

Development for 'our people' at all levels is essential within the Trust. We have a Trust wide leadership development programme which ensures that each leader is able to develop their leadership skills and capability to enhance their performance and better themselves.

Thank you for your interest in Carleton High School. Please join us to create something exceptional for our young people, and if this ambition appeals to you, we look forward to reading applications from people who have an unwavering focus on achievement to ensure our young people receive the absolute best in their time with us.

Mrs Shariff Headteacher

About the Trust.

Achievement Without Excuses.

We have an unwavering focus on achievement. This is paramount so that all of our children and young people enjoy greater life chances.

We take responsibility for ensuring that they succeed. We own our own performance and do not rest on our laurels or seek to blame others.

Our Mission.

Running top-quality, high-achieving schools that give our children and young people the chance in life they deserve.

Our Vision.

Where every child and young person makes outstanding progress.

Excellence As Standard.

We set high standards. "Good enough" is simply not. We do not accept second best from our students or ourselves.

The Trust aims to be a highly reliable school improvement organisation that is disciplined in its approach to improving performance. A Trust with clear plans and simple and precisely executed systems that not only develop and sustain excellent performance, but never stifle individual flair.

Stronger As One.

We take collective responsibility for each other and the results of all of our children and young people. We enjoy sharing our success as a Trust while recognising the strengths of individuals and each school. To this end, collective accountability is rooted in a "if one fails we all fail" mentality.

As a family of schools we collaborate with each other, challenge each other and share best practice. We do not let competition get in the way of our desire to get the best outcomes for all.

Our People Matter.

We know that our people make a difference to the lives of our 3–16-year-olds. We want to make our schools places where great teachers want to teach, lead and build a career. Investment in the recruitment, development and retention of the best people is a top priority.

We aim to provide professional work environments where our people have the support and tools to do a great job and push our children and young people to scale new heights in a safe and secure environment.

Students Come First.

Our schools are run for the benefit of children and young people, not the ease of adults. Their achievement comes first and staff in schools and the central Trust office work to this end.

The Trust aims to keep low priority tasks away from front line teachers and leaders so that they can focus explicitly on our core business of teaching and learning.

Our Schools.

The Pontefract Academies Trust family includes a range of schools across Pontefract. We provide education from nursery, through primary and secondary.

Each school is individual and responds to the needs of its local community to provide the best possible opportunity for its young people. However, being part of a Multi Academy Trust means each school can benefit from shared resources and systems that allow collaboration for the benefit of our children and young people.
