

Harrow International School Hong Kong is the first international boarding and day school in Hong Kong. It is the third school in the Harrow family of schools in the Asia region and provides a British independent style education from Early Years to Year 13 with custom-built facilities in a stunning location in Hong Kong. The School combines elements of educational philosophy, practice and traditions from Harrow School in London with the international mindedness of a diverse pupil body in Hong Kong. Having opened in September 2012, the School roll is currently 1300 and our pupils achieve some of the best results in Hong Kong at A-level and GCSE and go on to study at some of the top universities across the world. Harrow Hong Kong is, however, about much more than academic results and our pupils excel in music, drama, sport and art as well as involving themselves in service to the local community.
