**Bordesley Green Girls'
School and Sixth Form**

Our School

Bordesley Green Girls' School is an 11-18 multicultural, inclusive comprehensive school situated on the eastern side of the City of Birmingham. We have 976 students on roll, including 331 in the Sixth Form, 62.9 FTE teaching staff and 45.8 FTE support staff.

Curriculum Arrangements

Our curriculum aims to provide a broad and balanced experience for all our students.

The curriculum is delivered through the taught curriculum and the enrichment curriculum. Learning happens in lessons, form-time, assemblies, games, educational visits, enrichment and enterprise days, school productions, and community work.

Throughout the curriculum, our students have regular opportunities for learning beyond the classroom through enriching learning experiences and extra-curricular activities.

Our inclusive curriculum is personalised to the needs of our students, and regardless of ability, each student is supported but also challenged in their learning.

The Timetable

The timetable for the school is based on a two-week cycle and comprises of a 25 period week with five periods per day, each period lasts 60 minutes. Lessons can be either single or double periods (usually sixth form lessons).

Key Stage 3

Our three year KS3 programme of study ensures that there is no narrowing of the curriculum. Students secure depth of knowledge and skills and are prepared for an inspirational and challenging KS4.

Our provision follows a three year programme at KS3 that delivers the National Curriculum across the subject areas. The Key Stage 3 Core curriculum: All students study English, Mathematics, Science, PE, RE and PSHE. In addition in Year 7 all students are taught Design Technology, Art, Computing, French, Geography, History, PE, RE, Drama, Music and PSHE.

In Year 8 students study two languages: French and one of Arabic, Spanish and Urdu. In Year 9 students study one language.

Students in Year 7 are taught in five mixed-ability form groups. One Year 7 form is organised to enable us to target teaching assistants effectively to support students who need extra help.

Students in Years 8 to 9 are taught in two parallel half-year groups for most subjects, known as 'X band' and 'Y band'. Each band in these years is divided into broad sets, to enable appropriate stretch and challenge.

Key Stage 4

The Key Stage 4 Core curriculum: All students study English, Mathematics, Science (Separate or Combined Science), PE, RE and PSHE.

In addition to the core curriculum all students will choose up to four option subjects. At Bordesley Green we encourage most of our students to study the full range of English Baccalaureate subjects: the EBacc entry rate in 2019 was 89%. Most students will study one language from Arabic, French, Spanish or Urdu. In addition, students must choose to study either Geography or History. Students can opt for any combination of a further two subjects at KS4 from Art, Design Technology, Geography, History, Health and Social Care, Music, PE, RE and Computing. Spanish will be offered from September 2021.

In Key stage 4 we teach English and Mathematics at the same time across whole year groups which enables us to set students within 5 different teaching groups.

School follows a 2 week timetable.

Key Stage 5

We currently offer a wide range of courses at Bordesley Green Girls' and are confident that students can choose combinations of courses on which they are most able to succeed.

Students can enrol on 3 different pathways: A Level programme of study over two years, Level 3 BTEC Extended Diploma programme of study over two years, or Level 2 BTEC study over one year alongside retaking GCSE Mathematics and English. Most A Level students will study three A levels, with some more able students taking four A Levels. Enrichment is an important part of our KS5 curriculum: students are able to choose from a range of activities including sports, arts and STEM projects.

For further information about the Curriculum Arrangements, please visit the following link: <http://www.bordgrng.bham.sch.uk/Curriculum/>

A new Curriculum Policy was approved by Governors and implemented from September 2020.

The roles and responsibilities of our SLT are detailed on our website:

<http://www.bordgrng.bham.sch.uk/Senior-Leadership-Team/>

Sixth Form

Bordesley Green Girls' School became an 11-18 school in September 2011 admitting its first sixth form cohort. The sixth form was opened as a consequence of the school's "high performing" status. The sixth form is housed in a purpose built £6 million build. Applications exceed places each year.

Community Links

A range of after-school and weekend classes for students and the local community are run throughout the year and are coordinated by our internal Lettings Team. We have a group of cleaning staff and lunchtime supervisors who attend weekly English classes run by one of our senior lunchtime supervisors.

The School Sports Hall is open each evening and on Saturday mornings for use by the community. Many local clubs and associations provide a wide variety of activities including; football, badminton, netball and dance.

Bordesley Green Girls' sees itself as an important part of the wider community; it has established a wide variety of links both with business and educational establishments.

Links with Parents

Good channels of communication that enable two-way passage of information and opinion are vital in our aim of raising achievement. We have well-established mechanisms for consultation and a strong track record of implementing advice.

In addition to annual parent consultation evenings, there is a target-setting day where parents/carers and students have an appointment to discuss progress and set targets.

Overview of the Special Educational Needs Provision

Our staff include a SENCO, an Assistant SENCO, a HLTA with responsibility for EAL and 9 Teaching Assistants.

We have 138 students on the school SEND register, 29 of those with Education and Health Care Plans. The needs of the students are diverse ranging from dyslexia, MLD, physical disabilities and Autism.

The students are supported in class and through targeted, monitored interventions. Our students benefit from interventions such as daily phonics, reciprocal reading, inference and social skills support. We offer bespoke support for students according to their needs and work in partnership with parents and outside agencies. We have excellent relationships with the Local Authority advisory services: Pupil and School Support, Sensory Support, Physical Disabilities Team, Communication and Autism and Educational Psychology. We also commission a visiting Speech and Language Therapist.

We have a very popular Inclusion base which students visit during unstructured times of the day and take part in social activities including art and crafts.

The Hearing Resource Base (HRB)

The school has a SEND resource base for the hearing-impaired students named the HRB with a staff of: 1 full time and 2 part time Teachers of the Deaf and 2 full time Teaching Assistants.

We currently have 12 deaf students from year 7-12. All students have a severe to profound hearing loss and the majority have cochlear implant processors, with only three who use hearing aids. All students use the radio aid system in class to communicate with mainstream staff and use speech or British Sign Language.

HRB students receive in class support from both Teachers of the Deaf and Teaching Assistants. Students may be withdrawn to the HRB for specialist pre/post tutoring, subject based interventions and speech and language developmental work. Students also have PSHE based interventions. The majority of the students in Year 7-11 travel to school via educational transport.

For further information please look at our HRB page on the school website, which will give you further details about our provision. We have also produced an in-depth video of our day to day running of the HRB. <http://www.bordgrng.bham.sch.uk/Video-about-the-HRB>

International Links

BGGGS was successful in its application for funding from the British Council, as part of the International Exchanges for Schools Programme. A preparatory visit has been completed and has been invaluable to build a sustainable project with our Indonesian partner- the Global Islamic School.

We continue to enjoy working with our Indonesian partner- the Global Islamic School 2, despite our International Exchange School visit being cancelled due to the Covid pandemic. Together we have developed a rationale for working together, where diversity and multicultural understanding underpins our partnership.

Projects have been initiated between the two schools in the following areas: Leadership: School Councils leading an eco-initiative in each school; Multicultural Understanding: Being a Muslim in Birmingham/Jakarta; Resilience: Learning Traditional Sports from both countries; and CPD: UK led Maths Mastery.
