BACKGROUND INFORMATION

Blenheim has been under new leadership since April 2017. The school became Surrey's most improved secondary school in the 2017-18 academic year, was categorised as 'good' in all areas in May 2019 and attained its best GCSE results in the summer of 2019. A number of comprehensive measures have been put in place. These have improved the consistency of teaching, the quality of assessments and the impact of feedback, so that all students now make good or better progress. At the heart of the school's recent successes has been the comprehensive and consistent implementation of formative assessment across the curriculum.

Blenheim is a dynamic, exciting and supportive environment in which to work. The school opened in September 1997 with one year group and has grown to its current size of 1275 students on roll including 200 in the Sixth Form. Blenheim is a mixed comprehensive and our reputation in the community is excellent and as a result the school is very popular. The intake comprises of students from all surrounding areas with ability levels being favourable; over 50% of all students have high prior attainment at the end of Key Stage 2. Recruitment of students into Year 7 has increased by 22% since September 2017, as detailed below:

Year	2017	2018	2019
Number of Year 7 Students	188	209	230

Blenheim revolves around a growth mindset where all members of the school community are expected to value and develop the characteristics of hard work, resilience, innovation and improvement. Since April 2017, there has been significant change to the school's structures and systems, including:

- New Headteacher
- New Leadership Team comprising one Deputy Headteacher and ten Assistant Headteachers
- An extended day for Year 11 and Year 13 students
- A comprehensive Easter revision programme for students in Years 11, 12 and 13
- A three-year Key Stage 4
- A six-period school day comprising of an increased number of double periods
- An alternative pathway for vocational Key Stage 4 learners providing high quality vocational provision
- A Chelsea FC Girls' Sixth Form Football Academy
- An extra fortnight's holiday with a two week October half term and a seven week summer holiday.

In May 2019, Blenheim was characterised as a 'good' school following a Section 5 Ofsted inspection. Please [click here](#) to read the Ofsted Report. Ofsted commented that the vast majority of the school's previous weaknesses had been rectified and that the school now had excellent capacity to continue improving. The Headteacher, Mr A A Bodell, has made a long term commitment to Blenheim.

Blenheim converted to Academy Status in March 2012 and has developed many community and primary school links. Blenheim is a well-resourced school and is fortunate to have outstanding facilities including large grounds, grass football and rugby pitches and an artificial pitch. The school has a significant capital reserve with complete autonomy to invest. Together with a very supportive governing body the school has been able to 'move quickly' and invest significantly in several areas, not least in the appointment of high-quality teachers and site infrastructure. Our buildings are modern and this summer received an internal £500,000 face lift. Visitors now comment on the calm, purposeful learning environment that pervades.

Blenheim has an iPad for learning scheme under which all students have access to an iPad with the overwhelming majority having their own personal device and, naturally, teaching staff need to be willing to engage with new technologies and to want to develop themselves.

2018 and 2019 has seen a significant increase in Blenheim's GCSE results. A combination of well -researched teaching and learning practices, rhythmical assessment and feedback, frequent reporting, well - timed interventions and consistent monitoring of student performance has led to increases in almost all areas of GCSE performance. This improved performance compares favourably with both Blenheim's 2016 & 2017 GCSE results and 2018 & 19 National GCSE results.

In 2017, apart from Maths and English, grades were attributed A* - G grades with A* - C being considered 'higher' grades or passes. By 2019, all subjects (bar a minority) were attributed 9 – 1 grades with 9 – 4 being considered 'higher' grades or passes.
