Headteacher Welcome

I am incredibly proud to lead a school that strives to make education a transformational experience for all, regardless of ability or background. Our ethos of Valuing Everyone, Caring for Each Other and Achieving Excellence underpins everything that happens in our school.

All staff are invested in these core values and we work together to improve the life chances and dreams of all our students through ongoing progress and improvement in learning. Our record of sustained success reflects this commitment to raising achievement for everyone.

Tapton has the highest expectations of its students in every area of school life. Our school is a caring, nurturing and ordered community with an atmosphere of calm and purposeful learning. This is to ensure that all our students feel safe and secure. We are kind, we work hard and we follow the rules.

Safeguarding is everyone's responsibility and all our staff undertake regular training to keep up to date on the latest guidance from 'Keeping Children Safe in Education'. Safer recruitment practices reflect our commitment to this aim. As part of the recruitment process Tapton colleagues will carry out a number of checks to ensure the successful candidate champions the safety, wellbeing and success of all our students.

We are an inclusive school and treat all students as individuals. We recognise and celebrate different abilities, aptitudes and interests, and believe that everyone can develop through dedication and hard work. Our aspiration is to have the best behaviour, conduct and manners of any school in the country, whilst recognising that children learn and grow at different rates as they become responsible citizens.

We look forward to welcoming you into our school community.

Kathryn Rhodes

The school offers a broad and extensive programme of extra and super curricular activities with high take up from students from all backgrounds.
- A culture of excellent teaching and learning is at the heart of everything we do at Tapton.
- Everyone's learning matters to us and we are proud to make a difference to the personal development of our students. We have high expectations and we know that learning goes hand in hand with relationships and trust. We make learning exciting, engaging and inspirational. Quality first teaching has been proven over and over again to have the biggest impact on student attainment and outcomes, we therefore invest heavily in staff development.
- Our staff work together as a professional community to ensure the best outcomes for all. We recognise that we are all learners with the capacity to develop and improve. Our teachers collaborate to form a shared understanding of what great teaching and learning looks like.

The Department

Music

Tapton Music Department is a fun, busy and vibrant place to be. We are an enthusiastic team of two teachers of music and twelve visiting peripatetic instrumental and vocal teachers. We have hundreds of pupils having music lessons throughout the week, plus we have an extensive extra-curricular timetable. We have rehearsals every morning before school, as well as many lunchtimes and after school, and we have a concert programme of at least four concerts per year. One of these is at the neighbouring Ranmoor Church. We collaborate with the drama department for large scale musicals and take our pupils on a number of trips each year. There is never a quiet moment!

A Message from our CEO

Welcome to Tapton School Academy Trust (TSAT) and thank you for your interest in joining our organisation. I am the new Chief Executive Officer and I feel incredibly proud to lead to such a wonderfully diverse group of schools, who have people at their heart. We were established in 2011 and operate a family of schools across Sheffield, offering education from early years to sixth form.

We employ over 900 staff and those people are incredibly important to us. One of our key strategic priorities is to make TSAT a 'great place to work' and we are working hard to achieve that. If you work with us, you will receive best-in-class talent management opportunities, to develop yourself and open doors to a wealth of career opportunities within (and outside of) our trust.

We are mindful the workload challenge currently facing the sector, so are focused on reducing workload and creating conditions where our colleagues have fair work/life balance. To do so, we are investing in technology (such as iPads and AI) and creating aligned curricula and assessments, to save our staff time so they can focus more on the things that really matter.

We are at an exciting crossroads in our journey as a multi-academy trust. If you are passionate about working with young people, and love working collaboratively within a team environment, then we'd love to hear from you. If you want to help shape the future of a modern, transformative group of schools, where excellence, innovation and collaboration thrive, you will find a like-minded group of people at TSAT.

Thank you again for your interest in joining us and the best of luck with your application.
