INFORMATION FOR APPLICANTS:
Teacher of French with Spanish

WELCOME TO STOCKWOOD PARK ACADEMY

Firstly, let me start by thanking you for taking the time to read our information pack and allowing us the opportunity to tell you more about The Shared Learning Trust.

I first began working for The Shared Learning Trust, as Principal of The Stockwood Park Academy in 2009. Since then, the trust has grown from strength to strength employing some 500 fantastic staff members who serve over 3,700 children within our communities. It is my privilege to be CEO of our family of schools and work with each Principal or Head of School to ensure the best possible education in their own Academy.

Our ethos is simple, to build a collaborative partnership of academies and schools that will provide exceptional educational provision, both in and outside the classroom for all our children. Our academies ensure students are supported, monitored and encouraged to pursue their aspirations through a wide range of enrichment activities and initiatives. The experience will be challenging, rewarding and memorable. Students enjoy their time at our academies and give back to the wider local community. They are role models and young leaders, who contribute to the collegiate ethos with maturity.

– *We recruit people for attitude and train for skills*

We aim to recruit outstanding people who have the right attitude. If you have a love for teaching and are passionate about seeing children succeed, we would love to hear from you!

Recruiting the right teachers and staff help us to achieve the goals we set for our children. We are always keen to hear from educators who are passionate about working for the schools and communities we serve. We would rather make no appointment than appoint someone who does not share the same positive ethos that runs through our Academies. For this reason, we try to articulate clearly our vision, values and expectations when putting together information for applicants.

We aim to recruit staff who:

- are excited by their role and by the prospect of working with young people, even those who are less motivated;
- love the processes of learning and teaching and are keen to continually develop their own skills;
- recognise that teaching can be a demanding job but react positively to those demands rather than complaining;
- will subscribe to the ethos of the Trust and 'go the extra mile' in terms of time and commitment to get the very best from our young people;
- see break duty as an opportunity to talk to children;
- are quick to praise and slow to criticise; and are not afraid to admit to seeing themselves as potential leaders of the future.

I am conscious that this may be your first contact with our Academy Trust and first impressions are very important. I hope what you read; coupled with anything else you discover about us, inspires you to apply for this post.

With best wishes,

Cathy

TEACHER TESTIMONIALS

"What I really felt here more than anywhere else was that the welcome was extremely warm, and the team wanted to develop me and nurture me as a leader, a professional and a teacher. They have given me the opportunity to go on to the national leadership course, which allowed me to nurture my own leadership skills and learn a whole host of different things, which I had not had the opportunity to learn before. At Stockwood, we really believe the CPD should be personalised at whatever level you are at and whatever level you come into the Academy. If you are an NQT or Unqualified, we really nurture the talent you have, and we will help you gain QTS and complete your NQT year. We have also put together a rolling CPD programme every Thursday night so that people are really supported. We believe that nurturing talent upwards is important, whether that's pastoral care, curriculum care, teaching and learning and then moving into SLT. We have middle leader and senior leaders' courses and send people out on National Accreditation. Stockwood Park Academy have really helped me develop my skills and I'm very lucky that I have a team of people that I know I can develop myself and still do my day to day job."

Helen Palmer, Assistant Principal for Teaching and Learning

"Since the first day I walked into my interview and over the past 4 to 5 years, Stockwood Park Academy have provided many opportunities to me. They have been really supportive, the in-house CPD sessions they provide, the leadership from above and the supportive nature of the teams that I have been a part of has really helped me develop my professional conduct, my character and my ability as a teacher and leader."

Joel Toomer, Assistant Principal

"I have been at the Academy since 2000, I started as an unqualified teacher and was supported through the Graduate Teacher Programme. Very soon after I gained my QTS, opportunities arose to get into new roles. I started as Gifted and Talented Coordinator, then I became Head of Department for PE and then I wanted to develop into a pastoral role where I became a House Leader. Then came the opportunity to become an Assistant Principal and I was encouraged to go for that role, so I took the leap and now I'm the Assistant Principal for Personal Development, Behaviour Management and Welfare. There is a whole range of CPD on offer with a dedicated Teaching and Learning team who will provide personalised CPD, personalised areas for development for members of staff. In addition to that, they have a number of courses they provide, I've gone on the 'Outstanding Teacher Programme' and developed my own teaching and helped me feel secure in the position I was in. Stockwood Park Academy have already begun supporting with my next step up moving into a Deputy Head or Vice Principal role."

Iain Temple, Assistant Principal
