Chief Executive Officer
Haberdashers' Academies Trust South

Dear Candidate,

Thank you for your interest in the post of Second in Department in English at Haberdashers' Hatcham College – the founding school in Haberdashers' Academies Trust South.

Hatcham College is a wonderful school in which students develop into young adults, with all the choices that their education has provided them. Academic achievement is our core purpose, but no less important is the development of characteristics and values that enable Hatcham alumni to reach their full potential and then go out into the world to effect positive change.

Following our recent Ofsted inspection in November 2024, we are proud to share that the school received high praise for its achievements. Below are some of the key findings from the report:

- *"The school is highly ambitious. Staff share a belief that pupils can achieve excellent outcomes, whatever their starting point."*
- *"Pupils, including those with special educational needs and/or disabilities (SEND), achieve excellent outcomes."*
- *"The school provides rich experiences that broaden pupils' cultural and character education, including yoga, sociology, jiu-jitsu, and visits to Rome to extend Latin study."*
- *"Leaders evaluate sharply the work of the school, ensuring all pupils become self-disciplined, mutually respectful individuals equipped for their futures."*

We have the highest of expectations for all our students. This enables us to focus on developing the currency (examination results), character and confidence that they will need to navigate adulthood to find their place in the world.

Students at Hatcham College have an environment with very clear and strict boundaries. This creates an environment that is safe, and learning takes place without disruption. Students are rewarded for effort, resilience and making positive choices. Aspiring to be the best that you can be is at the heart of all we do.

At Hatcham College we believe that it is incredibly important for all students to achieve their academic potential, however a good education is much more than that. We believe that these transferable skills are needed for a successful future, whatever career path students choose to pursue.

We want the best people to join our Haberdashers' community, and we are committed to a diverse and inclusive student and staff body. If you are passionate about making a difference and feel that you have the right experience and expertise, I encourage you to apply to join us on our journey. If you would like to speak informally about this post, then please do get in touch at hatchamhr@habstrustsouth.org.uk I look forward to hearing from you.

About Haberdashers' Academies Trust South

We are a multi-academy trust consisting of four secondary schools and five primary schools and have been educating children and young people since 1876.

Our moral imperative at that time was to ensure that every child in our care received the best possible education in order to make the best start in life. That moral imperative remains today, underpinned by ethos of working together and our values of being ambitious, always growing and contributing to the world as global citizens.

In a complex world, we need our children and young people to be as well equipped for their future as possible so that they can flourish. We will support them to become compelling individuals so that by the time they leave us they will have experienced a range of opportunities that not only build their mind but also build their character.

We are proud to be a diverse community and take seriously the need to ensure that every child, young person and adult connected with our schools feels included, welcomed and listened to. This is an important part of who we are and our commitment to equality and fairness. This commitment remains at the forefront of our work.

The relationship with the Haberdashers Company is central to the success of the Haberdashers' Advantage enrichment programme, and pupils, parents and staff are proud of this relationship.

Being part of the Haberdashers' community is very important to us as a school.
