

Principal

Clover Leys Spencer Academy

CHIEF EXECUTIVE

Thank you for your interest in this leadership role with Spencer Academies Trust (SAT). SAT is an educational charity, multi-academy trust and sponsor of academies. We educate over 18,000 children and young people in our academies and employ more than 2,500 teachers, leaders and educational support professionals across the East Midlands. We aspire to be a leading regional high performing trust with a national reputation for excellence.

We currently have 17 primary academies, 8 secondary academies and one primary-aged special school in our family of schools. All of our schools share our values and beliefs and benefit from the collaboration and added value that being a member of our Trust offers.

Clover Leys Spencer Academy is growing to a one-form entry primary academy for Derbyshire children, aged 4-11. It has established itself as a well-respected academy that provides a high-quality education alongside a caring and nurturing approach. The school was recently graded good in all 5 areas and we are looking for a leader to sustain and continue to develop the academy.

The position of Principal presents an exciting opportunity for an innovative leader in our Trust as we enter a further phase of development and influence. You will have the support of both the Trust Executive Team and central support services, together with the benefit of working closely alongside other principals in our Trust.

Spencer academies share an ambition to deliver outcomes that compete with the very highest performing schools in the country and deliver a curriculum for children that is underpinned by breadth, inclusion, opportunity and quality—one that seeks to give young people the opportunity to develop into well-rounded global citizens that believe they can

influence positive change in the world.

Paul West,

Chief Executive Officer, Spencer Academies Trust

AIMS OF SPENCER ACADEMIES TRUST

Mission

Our Mission is to deliver the best possible outcomes for children and young people.

Vision

Spencer Academies Trust is an exceptional Trust, providing an outstanding education for local children.

Aspiration

We believe that every child deserves access to a high quality education in a caring and supporting environment. We actively encourage and challenge our students to have the highest possible aspirations for themselves and for each other.

Partnership

We know that schools are stronger when they collaborate and work together in partnership, we believe that we are ONE Spencer and support each other through sharing ideas, goals and resources.

Responsibility

We are committed to caring for and safeguarding our community and take seriously our role in delivering an exceptional education for our children and young people, and providing a supporting environment in which to learn and work.

ABOUT CLOVER LEYS SPENCER ACADEMY

Clover Leys school opened in September 2020 with a reception class. Initially the school operated out of on Chellaston Fields Spencer Academy while the school building was built. Each September the school has grown by a class, with the school now having children from Reception to Year 3. The school made the exciting move to their new building in the Boulton Moor area of Derby in October 2025.

SPENCER ACADEMY

The children are mostly coming from the newly formed and growing local housing estate. The community is looking to the school to be a hub for local families.

At Clover Leys, there is a strong family ethos. We encourage children to respect one another in order to create lifelong friendships, to value their education – so that they can be ambitious having vision for their future – and most importantly to have fun and laughter during their time at primary school.

Our motto, GROWING TOGETHER, LEARNING FOREVER encapsulates this ethos. This is felt within the children as well as the staff team. Staff development is continually prioritised, with high quality CPD from within the school and the trust being targeted and utilised in line with school priorities. An evidence-based approach can be felt in the consistency in the environment and pedagogical approaches.

Clover Leys has adopted the curriculum drivers under **EVOLVE**:

EXCELLENCE – Having high standards of behaviour and attainment

VISION – Embracing independence and interests

OUTDOOR PROVISION – Giving pupils the opportunity to learn outside

LAUGHTER – Creating an enjoyable curriculum that develops the whole child

VALUES – Friendship, Forgiveness, Respect and Tolerance

EQUALITY AND DIVERSITY – Understanding that we are all different, but all equal

The **EVOLVE** ethos at Clover Leys Spencer challenges and stimulates our children into asking searching questions, shape their learning and enable them to develop into independent critical thinkers and learners. Our curriculum is rich with high quality texts. This allows for vocabulary to be developed and a love of books and literature to be developed at an early age. The delivery of the curriculum has a strong emphasis on communication, active and outdoor learning and children understanding importance of values, such as friendship, tolerance, forgiveness and respect. Our themed approach to curriculum design helps our children to draw on past experiences and draw links in their broader learning. Education at Clover Leys is carefully crafted and enriched to ensure all children receive the provision needed to meet the children's needs.

WHAT WE CAN OFFER

Delivering the best possible outcomes in our academies starts with a team that's motivated, supported and ambitious. It's our goal to be an employer of choice for school staff in the East Midlands, so we offer competitive employee benefits, including:

- Pay that is in line with or better than the Teachers and Educational Support national pay
- Flexible and family-friendly working policies
- Continuous service to those previously working in education
- Rigorous support from the central Trust team and other academies
- Partnership with Health Assured to provide support in mental/emotional wellbeing
- Free onsite parking for cars and bikes
- Salary Sacrifice Schemes for cycling and technology

At Spencer Academies Trust, we recognise that our colleagues cannot be there for our children and young people if we are not there for them first. We work hard to provide a supportive, warm working culture designed to uplift our employees, so we have created a comprehensive suite of employee benefits to support your professional, physical, and social-emotional wellbeing.

#Partnership

As Principal of Clover Leys Spencer Academy, you can expect to work alongside our Trust-wide team of exceptional leaders. Support from within the central team includes comprehensive and innovative ways of working for school improvement, finance, HR and estates. Embedded systems support systematic working and our approachable team ethos means that someone is always there to help – either to ask a question or find an answer.

As a family of schools, we have a wide and varied context, many of our schools are providing an exceptional education for high numbers of disadvantaged children, an increasing number of EAL children and growing numbers of children with complex SEND. We embrace our challenges and pride ourselves on our inclusivity. Our collaborative ethos means we can share and build knowledge to continually help and support each other on our journey together.

As Principals we work closely together. Our vision and values unite us and as a result, collectively, we drive for the highest standards in our schools – where children always remain at the heart of our decision making.

Half-termly Principal Meetings provide high quality CPD, driven by our collective needs and the changing landscape in education. These are complimented by a programme of workshops throughout the year enabling a space to develop and focus on more challenging aspects of our work.

The Primary phase has a further level of collaboration through the cluster model. Schools are organised geographically and these development spaces provide a further vehicle for Principals, leaders and children to network together, including: teaching and learning networks; subject deep dives; forest school events; choirs; and themed days (led by our secondary schools).

We work as a team, looking out for each other, whilst always striving for the best for all our children.

#Aspiration

We hold high expectations for everyone; mobilising powerful knowledge from within and beyond our Trust to support the very best education for all. Our embedded primary strategy model creates regular opportunities for leaders to accurately reflect on their school through a comprehensive self-evaluation tool. This is supported with termly Team Around the School (TAS) meetings alongside the Primary School Improvement Team and complimented through commissioned work from other SAT primary schools through the cluster model. This ensures we are always driving a culture of improvement and allowing best practice to be shared and shaped to reflect the needs and contexts of individual schools.

Highly effective systems permeate all aspects of our schools and we maintain a relentless focus on high quality teaching and learning. In the rapidly changing landscape, for vulnerable and complex learners, we strive to develop our pedagogy as a vehicle for inclusion.

Our outcomes reflect our aspiration and our recent outcomes were above or in-line with national in all areas at KS2, with improvements on the previous year in every measure. This is testament to our 'whole child approach', as many of our children join us with low start points and from complex backgrounds.

#Responsibility

As part of Spencer Academies, we have Derby Research School. As a result, the daily practice in the school reflects deep evidence-based approaches, based on the EEF. High quality CPD is beneficial to Principals' on an individual, school and Trust-wide basis. The use of the implementation cycle can be explicitly seen in our schools and the quality of thinking and discussion within networks reflects this deep professional learning.

Our Spencer Teaching School also offers a full suite of formal national leadership development programmes to executive level, as well as opportunities to network and explore innovation and research-based enquiry approaches to school improvement at all levels.

As a group of Principals, we have opportunities across the year, to engage with professional development beyond our Trust. Most notably, we collectively visit Wellington College for their annual Festival of Education, for three days – which is a highlight of everyone's summer term.

We are passionate about developing our people to be the best they can be and do this by nurturing individuals. As a caring employer we understand the balance of challenge and support and do all we can to manage workload efficiently and effectively.
