

Welcome to BISC Wroclaw!

A BISC Wroclaw education is both rewarding and enriching. Our school is renowned for having the highest number of graduates and university acceptances among all international schools offering a British education in Wroclaw. Our spacious, green, and leafy outdoor environment provides the perfect setting for a truly holistic school experience, offering opportunities for sports, games, and a variety of extracurricular enrichment programs. This peaceful and relaxing green space allows our students to be mindful and unwind from the intensity of daily life.

My vision for BISC Wroclaw is to build upon the tradition of excellence and achievement that has been the hallmark of our community since the school first opened its doors in 2006. Students at BISC Wroclaw enjoy a holistic and enriching education within a positive, inclusive school culture. Our school community values and celebrates student success both inside and outside the classroom, and our safe, supportive environment fosters positive citizenship while nurturing the unique talents of every individual. Our personalised approach, characterised by small class sizes and a strong sense of community, remains at the core of our school ethos.

Open communication and collaboration are essential for student success. I encourage parents and guardians to actively engage in their child's education and participate in our vibrant school community. Throughout the academic year, BISC parents receive regular updates on events, achievements, and extracurricular activities through in-person meetings, newsletters, emails, our school website, and social media platforms. Parental involvement is a key ingredient in the success of our students, and as a school, we actively encourage families to attend school activities and functions.

When asked what I love most about our school, my answer is always the same - I love the warm, welcoming BISC Wroclaw community. This sense of belonging has always been central to the unique experience our students and their families enjoy.

I'm confident that BISC families, past and present, would all say that BISC Wroclaw is a truly remarkable international school. I look forward to seeing you and your family around campus. Thank you for choosing BISC Wroclaw for this important stage of your child's educational journey.

Kindest regards,

Phil Hart
