Brigshaw High School – Current Context

This is a 'snapshot' view of Brigshaw High School. We hope it will give you a flavour of our vision, values and some of our current priorities.

Brigshaw is a thriving, popular school, occupying a large, attractive campus between Kippax and Allerton Bywater. Pupils come to us from these two “villages”, as well as from Great and Little Preston, Swillington, Micklefield, Methley, Woodlesford, Garforth and the outer Leeds suburbs. About 25% attract Pupil Premium funding. There are currently 1320 pupils on roll, including 160 in the Sixth Form. Our planned admission limit is 240 per year and we are once again fully subscribed in Year 7 for 2019. On September 1st 2016 we converted to Academy status alongside five of our partner primary schools as part of The Brigshaw Learning Partnership. Having worked together for several years as a very successful Trust, this conversion has been a natural progression. Our new status is helping attract additional school improvement resources and we are actively seeking further challenge and scrutiny for ourselves to help us raise achievement.

Pupil achievement and attainment remain at the heart of what we do. We are committed to maintaining a balanced curriculum offer and insist on consistently good teaching. Post-16 outcomes are still good and retention is high. The number of 16-18 leavers in education, employment and training is regularly one of the highest in the city. This reflects the excellent work done by our transition staff as well as the solid grounding our curriculum provides in preparation for life beyond Year 11. Most of our Year 13 leavers go on to their first choice universities, including Cambridge and Oxford. In autumn 2019 30% of our leavers began a degree in a Russell Group university.

We are a “resourced school” for pupils with physical disabilities and our excellent inclusive practices have meant that pupils with a very wide range of special and additional needs come to Brigshaw from further afield through parental preference. They believe their child will succeed and thrive here. We believe that our effectiveness as a school should be judged on the basis of how we support our most vulnerable children as much as our most able.

We have made significant improvement and progress without sacrificing Brigshaw's traditional qualities: all staff who work at Brigshaw are asked to commit to providing ‘every child every chance of success, whatever it takes’. Caring for our pupils as individuals, and providing a supportive learning environment allows young people freedom to develop ‘Respect For Learning’, develop themselves as successful learners, and encourages them to explore opportunities beyond their immediate surroundings. We are fortunate to have superb facilities to support our children in this mission.

Our most recent Ofsted Report (June 2019) judged us as a good school. Ofsted noted:

“There’s something really special here” HMI Ofsted

- Highly effective leadership... all highly ambitious for staff and pupils
- Resolutely committed and determined to embed a ‘**culture of excellence**’ across the school.
- Pupils are “proud... of their school and ... appreciate the recent changes”.
- Pupils’ attitudes to learning are strong... they actively participate in and support their peers with their learning.
- Governors and trustees know the school well... they are realistic and reflective...they are extremely effective in their roles.
- Parents and carers are supportive.
- Sixth-form leadership is a strength of the school and, consequently, the sixth form is good.

However, we are not complacent. We believe that pupils can make faster progress. There is still more we can do to further raise attainment. Current priorities in our School Improvement Plan are centred on raising achievement at all levels and ensuring all students are stretched; developing improved outcomes through our Vertical Tutoring and House System; and developing and consolidating partnerships. Under-pinning these objectives is an over-arching commitment to personalising learning and encouraging student leadership and parent/carer engagement at all levels of our work.

We are also keen to support other ways of helping children and young people learn and develop. We are committed to looking outwards and actively seek international perspectives. We have strong links with schools in many countries including Holland, Poland, Latvia, Czech Republic, China, Japan France, Germany and Spain. For the London Olympics we held our own student-led Olympic event, hosting over 200 international visitors from ten countries. We repeated the event in 2013 as an Olympic legacy event and in 2014 we focused on Le Grand Depart, contributing to the success of Le Tour de France in Yorkshire, and again in 2019. The last five years have built on this legacy in a variety of ways with a range of countries.

Much of Brigshaw's success comes from the strong partnerships we belong to. As mentioned above, Brigshaw is part of the Brigshaw Learning Partnership. This multi-academy trust aims to support the whole community in achieving excellence for all of our young people. The work of the trust is enriching our work in many ways, from developing shared approaches to teaching and learning, to supporting vulnerable children, to developing creativity and leadership in our schools.

For a number of years we have worked closely with our partner school, Temple Moor High School, to develop shared post-16 provision, which has led to improved choice and higher levels of recruitment, retention and performance. Our senior school leaders have played key leadership roles at an area and city-wide level, and Brigshaw has been involved in a number of regional and national projects.

Brigshaw has undergone a number of quite profound changes during the past few years - building a 'learning culture', changes in the curriculum and timetable structure, and most recently in our conversion to an academy as part of a multi academy trust. The debate surrounding these developments has always been conducted in a constructive, congenial atmosphere, typifying the good personal relationships in the school. Brigshaw is a friendly, welcoming place in which to work and to learn. Staff work very hard, and co-operatively, to provide a stimulating and successful learning environment.

We agree with Ofsted that ours is a good school with outstanding features and still has much scope for improvement. We also believe that it is a unique and exceptional place to work, to learn, and to grow, and that to be associated with Brigshaw as a pupil, a parent, carer, a colleague, a governor, or as a member of our community is a very great privilege indeed.

The Brigshaw Learning Partnership and Brigshaw High School is committed to safeguarding and promoting the welfare of children and expects all staff to share this commitment. The post is subject to a successful DBS clearance and pre-employment checks will be undertaken before an appointment is confirmed.
