CLASS TEACHER

PAXTON
ACADEMY
SPORTS AND SCIENCE
INDIVIDUALLY EXCELLENT, COLLECTIVELY BRILLIANT

Dear Applicant

I am delighted that you are interested in a Class Teacher position here at Paxton Primary Academy. Paxton is now well on its way to losing its inadequate evaluation and growing to become a thriving three form entry school at the heart of the community. If you are looking for the next stage in your career as part of an exciting turnaround journey, supported by a strong Trust with a national profile, we would love to hear from you.

Paxton Academy is a thriving primary school in Thornton Heath. In October 2020 we moved into our brand-new school building.

As part of the Wandle Learning Trust we have access to a range of expert colleagues across our Maths, English and Teaching School Hubs. This allows all staff to continually update their subject knowledge and teaching techniques for the benefit of all children.

Pupils leave us equipped with a firm grasp of key basic skills, a broad knowledge base and personal interests, shared moral values, excellent communication skills and the tools to be successful in secondary school and beyond.

Ensuring success across a range of abilities and backgrounds will take an understanding of resources and the classroom environment. Alongside your classroom teaching, you will also be expected to contribute to our integrated after school clubs.

Both breakfast and after school care clubs are offered as part of Extended School Provision.

Please take a look at the Wandle Learning Trust website (<http://www.wandlelearningtrust.org.uk/work-with-us>) for more information.

We strive to be innovative and aim to create a learning environment that is both fun and invigorating. We look forward to receiving your application to play a part in this.

Yours sincerely
Theresa Moses
Headteacher

About the school

About our curriculum

At Paxton we follow the National Curriculum with high-quality teaching of all subjects.

We provide pupils with memorable learning experiences and a wealth of cultural enrichment through trips and visits involving high-quality, first-hand experiences in the local community and further afield. Our over-riding objective is for pupils to see learning as a fun, active process within which they can make connections and see the bigger picture.

Pupils are given the chance to develop key cross-curricular life skills such as problem-solving, communication, creativity, leadership skills, thinking and working as part of a team.

In all subjects the knowledge and skills are closely focused on developing the children in ways which will equip them for lifelong learning. At Paxton pupils know that no matter your age or where you live we can all make a positive impact – whether that's volunteering, fundraising or raising awareness for causes that matter.

It is the focal point for teacher development in our region providing a golden thread of teacher professional development from ITT to Headship and working with [Leading Provider UCL](#).

We play a core role in the provision of ITT, ECF, NPQ, CPD and Appropriate Body Services. Our Hub also works closely with longstanding partners and schools, and is continuing to build links with many more schools and teacher development partners across the region.

London South West Maths Hub is also part of the Wandle Learning Trust, working in partnership with Wandsworth Local Authority.

The Hub – run out of Chesterton Primary School – is one of 34 Maths Hubs awarded across the country by the Department for Education. This means that Paxton Academy staff and pupils benefit from the support of consistently outstanding maths provision.
