Principal: Mr Jamie Brooks

Langdon Academy Teacher of Science

**Required for September 2021 or earlier
Main/Upper Inner-London Scale**

An exciting opportunity has arisen for an outstanding teacher to join our thriving and successful Trust to teach Science in Key Stages 3&4 at Langdon Academy. At KS4, there will be an opportunity to match teaching to your own Science specialism in order to give our students, many of whom aspire to Science-related careers, the expert tuition they need to achieve their targets.

We are fortunate in already having a very strong team in place with outstanding colleagues and inspirational leaders, working within excellent facilities.

Ofsted's view (May 2019) that most teaching in our secondary phase is "routinely outstanding" indicates the standard we set out to achieve in all classrooms. We are therefore seeking to recruit a colleague with excellent subject knowledge and clear evidence of their motivation and ability to deliver excellent outcomes for students.

Langdon Academy is a large 4-16 school, with over 1700 students in the secondary phase, and is part of Brampton Manor Trust, along with Brampton Manor Academy (an outstanding 11-18 Academy).

This appointment provides an opportunity to strengthen our team further with a new, talented and enthusiastic Science specialist who aspires to further promotion beyond this appointment. If that sounds like you, we would love to hear from you.

The scale of Langdon, the fact that it also has a primary phase, and its membership of Brampton Manor Trust provide considerable opportunity for the continuing development of our staff. This post would suit a NQT or a more experienced colleague looking to broaden their experience.

Please visit our websites at www.langdonacademy.org to apply and obtain further details about this role. All completed application forms must be sent by email to jobs@langdonacademy.org by the closing date below.

Brampton Manor Trust is committed to the safeguarding of children. Enhanced DBS checks will always be carried out on new employees.

Closing date: Monday 1st February 2021 at noon

Please note: Interviews will take place on a rolling basis, as applications are received

Langdon Academy is committed to safeguarding and promoting the wellbeing of all children and young people.
