Dear Applicant

Rastrick High School is a large mixed gender school with Academy status situated in Calderdale, neighboured by the towns of Brighouse and Elland in the heart of West Yorkshire, close to Junction 25 of the M62 meaning we are just 25 minutes from Leeds and only 35 minutes from Manchester. Our large, vibrant and oversubscribed school has over 1500 students (240 of which are in our Sixth form) and we employ over 200 staff. In September 2015, we opened an onsite nursery for both staff and community use at very competitive rates.

Rastrick High School is an exciting and enriching place to work; we have superb students, a bespoke CPD programme focused on the development of the 'craft' of teaching and a committed and enthusiastic team of staff. There is a strong focus on high standards and aspirations, built around the simple message that teaching is the most important thing we do.

Our classrooms are large and well equipped, with the vast majority containing electronic whiteboards. We have many recently built learning environments, including a £2.3 million Sixth Form Centre and a £2 million mathematics block, added to this the large number of computer suites and a floodlit Astro turf pitch, all of which, help support the learning of all our students and help make Rastrick an oversubscribed school and a very special place to work.

Rastrick High School has a strong commitment to continuing professional development and training. Further support for new colleagues includes:

- structured induction and performance review programme for all staff including weekly CPD focused on improving and developing teaching.
- additional induction support for Newly Qualified Teachers
- a strong student support team which is focused on creating a calm atmosphere where students are ready and able to learn
- opportunities to share and develop good practice through weekly CPD sessions, developed to focus on the delivery of outstanding teaching

If you want to be challenged in an environment of support, good humour and a shared belief that every child will reach their potential then please apply to be part of our team.
