Staff Testimonials

In 2017 I came to the Trust as part of the Initial Teacher Training programme and I have been working at Horbury Academy since the start of the 2017/18 academic year. During my time here I have felt fully supported by my department and also the wider academy. This has allowed me to take advantage of plenty of great opportunities that have helped me develop as a teacher and enabled me to progress with my career as a teacher and a leader.

Tony
Curriculum Team Leader of English

I started working at Horbury Academy in the school's busy kitchen. An opportunity arose for the Science Technician role which I applied for and was successful! Working in the science department has given me many new skills as well as receiving first class training from experienced staff. I continue every day to develop and grow thanks to the academy.
