Dear Applicant,

Thank you for taking the time to find out more about London Enterprise Academy (LEA). This pack is intended to give you information about the role and our school's vision and ethos.

The academy opened in a refurbished office block in the heart of London's East end to its first cohort of Year 7 students in September 2014.

We aim to be outstanding in all areas and become a centre of excellence in everything we do. Staff at LEA are reflective, committed professionals, willing to do whatever it takes for our students to achieve the very best results. All students are encouraged to continue their education and to progress to university and we work closely with local universities and employers to achieve this vision. Fortunately, we have been able to give students access to a level of expertise rarely seen in the state sector.

In addition to offering a broad and balanced curriculum, the academy places particular emphasis on the development of enterprise skills. We have been able to develop links with the employers in the city of London and Canary Wharf to provide mentoring to our students.

At LEA we develop students who have a passion for learning and enquiry, and the maturity to self-direct their studies and take control of their own futures.

This role represents a unique opportunity to join an academy with the highest expectations for students and staff, and to help shape the future of the academy.

Our facilities include modern classrooms fitted with the latest technology to make working and learning fun and exciting. All of our teachers and students are supplied with their own iPads to use in school and at home.

I am looking for someone who has the necessary skills, drive and experience to excel in this role, and who can up the standard for teachers who join us year on year.

As Principal there is no greater priority for me than the recruitment and development of staff. My aim at LEA has always been to create a school that is truly exceptional in everything it does. To do that I need an exceptional team. I understand that I will be asking a lot from the staff, but in return I can promise extensive support and development opportunities.

If after reading the enclosed information you would like to apply, please complete the application form that can be found online at www.londonenterpriseacademy.org and return it via e-mail as directed.

I look forward to receiving your application.

Ashid Ali, BSc (Hons), PGCE, MA (Ed), NPQH
Principal

Executive Summary

Our **vision** is to establish an outstanding school that will ensure students achieve personal success in their school life and beyond. We believe success at school provides a strong foundation for students to become engaged citizens who believe in themselves and can bring about positive change, for themselves and the society they live in.

In addition to achieving academic excellence, we instil in every child the beliefs, behaviours and attitudes that will underpin success in life. This means that every student is equipped to:

- Create and seize opportunities for themselves and others
- Contribute to Big Society
- Bridge the skills gap faced by future employers

Our school's ethos supports this vision by creating a school that is sympathetic to the social background of the students given the Tower Hamlets location and pro-active with respect to the unique opportunities this dynamic and well situated borough affords.

Central to our school's ethos is a student-centric and individualised learning approach designed to achieve personal success for each and every student, regardless of where their abilities lie. To fully equip our students as engaged citizens who will have the right skills to be active participants in British society, our curriculum is designed with an emphasis on:

- Academic excellence – our school provides a safe, caring and supportive learning environment in which every individual can beat their personal best. This is achieved through commitment to excellence from all, and no excuses.
- Enterprise – a can do attitude, creativity, informed risk-taking and a drive to succeed. These are all **key** ingredients to success whether in academia, business or social enterprise.

Curriculum and approach to teaching and learning

Alongside our vision for student outcomes, the most significant influence on our choice of teaching approach and on curriculum design is the social background of our students. Thus:

- A small school ethos, human relationships
- We believe that all young people can prosper. This individual attention is most likely to succeed in a small school environment where each child is well known to staff.
- A broad and balanced curriculum taught via a personalised learning methodology that has been proven to deliver excellent results in small charter schools in Sweden and the USA
- An extensive range of extra-curricular activities offered to draw out hidden talent and stretch gifted students
- Home-school relationships are important in engaging parents
- Enterprise

Focus on enterprise

- We want students and the local community to take full advantage of the Tower Hamlets location. With access to the city of London, academic and arts institutions, and technology and creative industries.
- Enterprise focus – can do attitude, drive to succeed and confidence to take risks. It would be a wasted opportunity for students, the local community and the wider economy if the advantages afforded by the Tower Hamlets location made no difference.
- Cater for pupils of all abilities

High expectations and celebrations of pupil achievement

Education is the most effective tool for those seeking to better their quality of life. The solutions to poverty, social exclusion, disadvantage and deprivation lie not with others, but within an individual. The individual has the power to make a positive difference and transform his/her life circumstances as demonstrated by many in our group who set up LEA.

We believe that educational benefit should be measured beyond an exclusively narrow focus on academic attainment. This is not to say that we do not measure academic ability – we do and our standards are very

high. What we do know is that children need a wider range of capabilities when leaving school and our approach to high expectations and pupil achievement reflects this.

We believe that poverty and disadvantage cannot excuse a lack of high expectations amongst our students. Consequently, we set clear aspirations on the achievements that we expect of our pupils.

We celebrate the achievements of our pupils through our reward ladder and ensure that parents are aware of this success. We keep parents informed by telephone, email, text and post, as well as invitations to annual awards and celebration evenings.

Aspirations and outcomes

The immediate catchment area draws young people from disadvantaged communities for whom English is not their first language. Our curriculum has been designed to bolster teaching time for English, Mathematics and Science. Added emphasis on the core subjects improves our pupils' chances of academic success.

Our academic outcomes support earlier academic excellence and also support alternative pathways through vocational support into apprenticeships.

Our targets

- All students make at least three levels of progress (50% make four levels of progress) between KS2 and KS4 in core Baccalaureate subjects
- GCSE results are 5% above National Average
- 50% achieve the EBacc qualification in 2019 examinations
- All students are expected to reach an attendance target of at least 96%
- All students continue with their education after leaving LEA
- 90% of parents regularly attend progress meetings relating to their child
- 90% of pupils contribute 250 hours to "Big Society"

Curriculum Rationale

LEA is based in one of the most deprived local authorities in England and Wales. The large majority of the population live in social housing and has well above the national average for Free School Meal (FSM). The vast majority of the student population is categorised as English as an additional Language (EAL).

Our curriculum therefore reflects the needs and wishes of the local population which was established during our research phase and whilst meeting individuals, groups and community and business representatives when collecting data to establish demand for the school.

It is clear from talking to parents that they want the best possible education for their children which prepares them for a good career in the local financial and business sector of London. One parent summed this up by saying "education is our only way out of poverty".

The curriculum at the LEA reflects our vision, ethos and principles.

- It encourages our students to become independent enquirers, collaborative thinkers and critical citizens.
- The curriculum includes the **core curriculum** and an **extended enrichment** curriculum for all students.
- The students follow a modified version of the National Curriculum at **Key Stage 3** with a view to supporting the students into their studies for the English Baccalaureate at **Key Stage 4**.
- At the heart of the learning is the **thematic based enterprise curriculum**.

The **core curriculum** is taught in single lessons of 50 minutes and doubles of 100 minutes from 8.45 am until 3.10 pm Monday to Friday with **Enrichment** curriculum from 3.10 to 4 pm Tuesday to Thursday.

The Enrichment curriculum gives the students an opportunity to take up an active enrichment in the form of an active PE/Healthy lifestyles curriculum such as sports and martial arts; a creative enrichment which develops their talents or expressive side; academic enrichment focusing on new learning and interventions to support bridging learning gaps.

Key Stage 4

This key stage commences in year 9. The students make their option choices in year 8. We initially recommend our students to follow the subjects for the English Baccalaureate. Our range of option choices are wide, considering the small size of our school. With subjects such as Business, Economics, Art, and Sociology proving to be very popular

The three-year Key Stage 4 also gives the students a chance to deeply embed their learning. In addition, there are opportunities for students to take a range of pathways which will support and extend learning which may lead to some of the students taking GCSEs earlier and then follow an AS programme.

Our students are expected to take the following subjects:

- English
- Mathematics
- Double Science
- History or Geography (option 1)
- A Language (French, Spanish or a home language GCSE) (option 2)
- Religious Education
- Physical Education
- Citizenship
- Enterprise
- Enrichment

GCSE Results – these are results of a GOOD school

Job Advert

English Graduate teaching apprentice

Closing Date: Monday 6th June

Job start: September 2022

Interviews: w/c 6th June

Salary: Inner London support staff pay scale point 1-5

Contract type: Full Time

Contract term: Permanent

Are you a dedicated and enthusiastic English graduate? If so, we would like to meet you.

London Enterprise Academy is a Free School at the heart of London's vibrant East End. The Academy opened in September 2014. The Academy has 475 pupils and will grow to 600 aged 11-16 and provides a stimulating education and personalised curriculum within a supportive environment. Our first three cohort have attained excellent GCSE results.

At the heart of our vision is to create a truly outstanding free school delivering the very best educational opportunities, nurture academic excellence and enhance ambition in all its pupils. We aim to inspire the next generation of professionals and entrepreneurs from diverse backgrounds.

We now have pupils in year 7-11 and have delivered an excellent first two sets of GCSEs where progress and attainment are above National Average.

"Pupil conduct is positive. Pupils are supportive of and respectful to others and listen attentively to teachers" Ofsted Sept 2021

We now have pupils in years 7-11 and have delivered an excellent first two sets of GCSEs where progress and attainment are above the National Average.

If you're a English graduate and looking for a trainee role that enables you to earn a salary in addition to experiencing life inside the classroom, then this role could be ideal for you.

We welcome applications from graduates aspiring to a career in teaching. You may currently be an undergraduate or thinking about a career change. As a highly qualified graduate, passionate and knowledgeable about your subject area, you will show an aptitude for enthusing young people about learning.

London Enterprise Academy is committed to safeguarding and promoting the welfare of all our students. All staff working within our academy are expected to share this commitment, complete statutory and additional safeguarding training and be familiar with our policies and procedures.

Job Description

PURPOSE

To complement the professional work of teachers by taking responsibility for agreed learning activities under an agreed system of supervision. This may involve planning, preparing and delivering learning activities for individuals/groups or short term for whole classes and monitoring pupils and assessing, recording and reporting on pupils achievement, progress and development.

Carrying out work set by a teacher (covering lessons); managing the behaviour of those pupils; dealing with issues that arise; and reporting back.

Support for Pupils

1. Assess the needs of pupils and use detailed knowledge and specialist skills to support pupils' learning.
2. Establish productive working relationships with pupils, acting as a role model and setting high expectations.
3. Promote the inclusion and acceptance of all pupils within the classroom.
4. Support pupils consistently whilst recognising and responding to their individual needs.
5. Encourage pupils to interact and work co-operatively with others and engage all pupils in activities.
6. Promote independence and employ strategies to recognise and reward achievement of self-reliance.
7. Track progress and achievement and provide feedback to identified groups of pupils

Support for Teachers

8. Organise and manage appropriate learning environment and resources.
9. Within an agreed system of supervision, plan challenging teaching and learning activities
10. To evaluate and adjust lessons/work plans as appropriate.
11. Monitor and evaluate pupil responses to learning activities through a range of assessment and monitoring strategies against pre-determined learning objectives.
12. Provide objective and accurate feedback and reports as required on pupil achievement, progress and other matters, ensuring the availability of appropriate evidence.
13. Record progress and achievement in lessons/activities systematically and providing evidence of range and level of progress and attainment.
14. Work within an established discipline policy to anticipate and manage behaviour constructively, promoting self-control and independence.
15. Supporting the role of parents in pupils' learning and contribute to/lead meetings with parents to provide constructive feedback on pupil progress/achievement etc.
16. Administer and assess/mark tests and invigilate exams/tests.
17. Production of lesson plans, worksheet, plans etc.

Support for the Curriculum

18. Deliver learning activities to pupils within agreed system of supervision, adjusting activities according to pupil responses/needs.
19. Deliver local and national learning strategies e.g. literacy/numeracy and make effective use of opportunities provided by other learning activities to support the development of pupils' skills.
20. Use ICT effectively to support learning activities and develop pupils' competence and independence in its use.
21. Select and prepare resources necessary to lead learning activities, taking account of pupils' interests and language and cultural backgrounds.
22. Analyse student data to inform and improve pupil progress.
23. Word processing schemes of work, lesson plans, assembling and disseminating relevant documents, lesson materials, collating department handbook, processing assessment results

Support for the Academy

24. Comply with the development of policies and procedures relating to child protection, health, safety and security, confidentiality and data protection, reporting concerns to an appropriate person.
25. Be aware of and support difference and ensure all pupils have equal access to opportunities to learn and develop.
26. Contribute to the overall ethos/work/aims of the academy.
27. Deliver enrichment activities within guidelines established by the academy.
28. Contribute to the identification and execution of appropriate out of school learning activities which consolidate and extend work carried out in class.
29. Undertake tutor group responsibilities acting as an advisor for a group of students within the academy's Advisory Programme.
30. Attending full staff and departmental meetings as required and supporting departmental events/extracurricular activities

This post is subject to an enhanced DBS disclosure.
