Hatcham College is a wonderful school in which students develop into young adults, with all the choices that their education has provided them. Academic achievement is our core purpose, but no less important is the development of characteristics and values that enable Hatcham alumni to reach their full potential and then go out into the world to effect positive change.

We have the highest of expectations for all our students. This enables us to focus on developing the currency (examination results), character and confidence that they will need to navigate adulthood to find their place in the world.

About Haberdashers' Academies Trust South

We are a multi-academy trust consisting of four secondary schools and five primary schools and have been educating children and young people since 1876.

Our moral imperative at that time was to ensure that every child in our care received the best possible education in order to make the best start in life. That moral imperative remains today, underpinned by ethos of working together and our values of being ambitious, always growing and contributing to the world as global citizens.

In a complex world, we need our children and young people to be as well equipped for their future as possible so that they can flourish. We will support them to become compelling individuals so that by the time they leave us they will have experienced a range of opportunities that not only build their mind but also build their character.

We are proud to be a diverse community and take seriously the need to ensure that every child, young person and adult connected with our schools feels included, welcomed and listened to. This is an important part of who we are and our commitment to equality and fairness. This commitment remains at the forefront of our work.
