

Subject Leader: Economics

Starting September 2018

Information for applicants

We are seeking an experienced and well qualified Subject Leader for Economics to teach across all key stages and abilities in our highly successful 11-18 Academy. Ideally the applicant will have experience of teaching A level Economics, Business Studies and GCSE Business Studies. This is a fabulous opportunity for someone to, as Subject Leader, set up and shape this area of the curriculum.

Heathside School is an over-subscribed, high-performing school located in Weybridge, Surrey. With good train links to Surrey, London and easy accessibility to the A3 and M25. Heathside is the founding school in the ElmWey Learning Trust.

As a result of student- led demand for A Level Economics, we are planning to introduce it as a new subject from September 2018. We are therefore looking for an inspirational and innovative Subject Leader for Economics to lead the development of the subject at Heathside. This is a very exciting opportunity for the right candidate.

We are committed to continuous professional development and offer a wide range of training and development opportunities. The school is very popular and is an excellent platform for staff to develop further their professional careers.

In July 2016 the Trust was successful in its bid to open a brand new secondary school in Elmbridge. The school is planned to open in September 2019 and will be a state funded Free School, non-selective and non-faith based. It will grow year-on-year and when fully operational will have 900 students in the age range 11-16. You would therefore be joining Heathside at an exciting time in its development.
