WELCOME FROM THE HEADTEACHER

Thank you for your interest in Springwell Community College. I am pleased that you would like to know more about our college and I hope that this introduction gives you a sense of our values and priorities.

Springwell Community College is an 11-16 secondary school in Staveley, North East Derbyshire with 900 students on roll and 100 members of staff. The quality of education has improved considerably in recent years and this improvement was accelerated when the college joined The Two Counties Trust in March 2020.

The college is proud of its reputation as a safe, caring and welcoming place to study. Every student is known and supported through their five years with us and the college ensures that any needs which would otherwise hinder students from succeeding in the classroom are met.

Our aim at Springwell is a simple one; to deliver a great education to our students. We expect our students to set ambitious goals, to work hard every day towards these and to be kind to each other, themselves and their community.

We are very proud of our students. They behave well, wear their uniforms with pride and treat each other with kindness. Students will often tell us that the college has a family feel. They are proud to be Springwell students and enjoy coming to college. Students work hard and learn well in calm, purposeful classrooms.

The college's anti-bullying programme has been recognised nationally, including by the Diana Award. Students and employees buy in to the idea of the "Springwell Family" and say that the positive relationships between staff and students are a real strength of the college.

Ofsted reported in 2024 that 'Springwell Community College has been through a transformative change in recent years. This is reflected in the views of pupils and many parents and carers.' It also inspectors also noted 'Pupils know and demonstrate the school's values of 'ambition, commitment and kindness', this has created an environment where 'Pupils feel happy and safe in this school.' Ofsted also recognised how 'The school has worked hard and developed routines to promote a positive learning environment for all pupils.'

In order to build on the improvements, we have secured in recent years we recognise the need to recruit and retain the very best staff. Colleagues report that Springwell is a great place to work. They ensure strong and very positive relationships with colleagues, students and their families. Our "people first" approach ensures that all employees receive the high-quality research informed professional learning they need to improve in their roles and to develop their careers.

The college has a specialism in the arts and this enables students to develop their music, dance and drama performance skills and their confidence. Many of them remain involved in the arts after leaving the college.

A further strength of the college is its modern well-equipped site. Built in 2011 and maintained exceptionally well since, the college boasts first class specialist facilities in technology, art, hospitality & catering, dance, drama, music and sport.

Springwell is located on the eastern edge of the Peak District, within easy reach of Matlock and Bakewell, and numerous attractive villages, beautiful countryside, and dramatic dales. It is close to the market town of Chesterfield and to the city of Sheffield. Proximity to the M1 gives access to a large range of housing which is wide in both style and price.

If you haven't done so already, I encourage you to visit us to see the college in action. We are always happy to meet prospective candidates to discuss the post and the college in more detail.

Please ensure that you set out in your application on no more than 2 sides of A4, why your experience and ambition is a good fit for the role of Midday Supervisor within Springwell Community College.

In order to comply with Safeguarding requirements, you must complete either an application form or apply online via MyNewTerm. We cannot accept a Curriculum Vitae as an application for this post.

Please note that we receive a large number of applications and so unfortunately cannot provide feedback to everyone. If you have not been contacted within four weeks of the closing date, you should assume that your application has not been successful on this occasion.

Applications must arrive by Monday 05 October 2026 at Midday.

Interviews will be held on Thursday 15 October 2026.

TOP TIPS FOR A SUCCESSFUL APPLICATION

Here are our top tips to help your application stand out and give you the best chance of getting shortlisted for an interview.

1. Always read the job profile

The job profile includes details of the responsibilities of the role and the essential and desirable criteria we are looking for in the person specification. This list of criteria is what we will use to put together our shortlist, the more essential and desirable criteria you meet, the more likely you are to be invited for an interview. Make sure to read what we are looking for, and then highlight which points you meet when completing your application.

2. Complete as much detail as possible

We get many applications where some of the information is missing. We understand applications can be a lengthy process, but poorly completed applications give the impression that little effort has been made by the applicant. There also may be vital information missing that we need when making our selection decision. It is important to make sure your details are accurate and up to date. When going over your work history, make sure you mention any relevant experience you gained from those roles and do not leave gaps in your employment history. Where there are genuine gaps, you must address these.

3. Make sure your supporting statement is well constructed

Your supporting statement is your chance to show how you meet our person specification, so make sure you have the job profile document available to refer back to. This section is where you can really sell yourself and tell us anything that is relevant to the role you are applying for, and to highlight anything that will make your application stand out. Please ensure your supporting statement is focussed and should normally not extend beyond two sides of A4.

4. Proofread your application before submission

Once your application is complete and ready to submit, do one final read over to check for any mistakes and to make sure you are happy with all the information you have provided. Perhaps do one more check over the person specification and make sure you have demonstrated how you meet the criteria including examples where appropriate.

5. Be truthful

While you want to highlight all the experience you do have, be careful not to exaggerate your work history. This may get you an interview, but may not get you any further than that. Also be honest about what grades you received from your education history, as we will ask to see proof of qualifications.

6. References

We ask all applicants to provide the details of two people who will act for you as a referee. Please ensure one of them is your current/most recent employer and the other is from your most recent employment prior to this. If you do not have two employment referees, for example if you have just left school or university, you should use the course leader as your referee.

Your employment referee should not be a colleague but, the name of the most senior person who can provide a reference on behalf of the organisation. If you are currently working at a school the Headteacher **must** be cited as your referee. Make sure to provide all the relevant information; name of the person, what role they hold, in what capacity they know you and their email address. There is a tick box for you to let us know if you are happy for us to contact that referee before interview. We will never contact someone you do not give us permission to contact before interview. Once you have been offered a role, we will still wait for you to give us permission to contact that referee. Please note that any job offer is conditional upon receipt of two satisfactory references.

Equal Opportunities Monitoring

The Trust is committed to providing equality of opportunity to all candidates. As part of our application process we ask you to complete a separate equal opportunities monitoring form. This form is never shared with hiring managers and it will in no way affect your application. This information is collected for the Human Resources department to review statistics on who is applying for our jobs, and what we can do to attract a more diverse workforce.

We also want to identify anyone who may need adjustments to enable them to have a fair chance at the interview stage.

The Two Counties Trust is a Disability Confident Employer, amongst other things, this means that if you declare you have a disability and you meet all of our essential criteria (available in the person specification document) you should be offered an interview.

Please note that the Trust is committed to promoting and protecting the physical and mental health of all our employees.
