Dear Applicant

“Strive for Excellence; Every Lesson, Every Day for Every Student”

Thank you for showing an interest in the post of Teacher of Science with Responsibility. Enclosed in this pack is information about the school and the job that you have enquired about. I hope that you will find this useful in helping you decide if The Warwick would be a school you would be interested in joining.

I am the Headteacher and started the role in September 2018. I believe this is a very exciting time to join the school as it begins its journey to excellence. The school is currently good with outstanding features in Behaviour and Welfare. Results are average and students attain what they need to move to their next courses at post 16. We want to improve upon this over the next few years and become the school of choice in the local area. With this vision in mind we have begun to reflect and review our practice to ensure we can provide the best learning experience to the students we have in our school.

The school is a vibrant community hub which supports academic success but also offers a vast array of enrichment activities from traditional sporting teams and music groups to drama, debating, school council, chess, science club and Duke of Edinburgh. Students are proud to be at the school and very quickly develop the 'Warwickian' spirit.

Over the next few years we are also fortunate enough to be part of the 'Partial Schools Building Programme' which is replacing our main school building into a new three storey centre for learning. This will give our students a really exciting learning environment and offer us the opportunity to evolve our practice and curriculum offer.

We are looking for staff who like to be part of a team, who are passionate about the education and welfare of young people and who have great drive and ambition. You would need to be personable, inspirational and flexible, but ultimately know how to get the best out of young people so they can be successful and develop their skills and talents under your guidance and care.

To enable you to get a true understanding of the culture, ethos and spirit within the school, I would be very happy to show you around. Do not hesitate to contact me if you would like to visit or need any further information.

Best wishes.

K Oakley

Miss Kerry Oakley
Headteacher

Key Information about the school

School:	The Warwick School
Location:	Noke Drive, Redhill, RH1 4AD
Age Range:	11-16
