Job title:	Head of Physics		
Reporting to:	Head of Science Faculty		
Salary:	Main Scale + TLR		
	To carry out the duties of a Teacher in accordance with the School Teachers' Pay and Conditions Document and other relevant statutory provisions.		
Core purpose:	To implement and deliver an appropriately broad, balanced, relevant and differentiated curriculum to designated students, incorporating National Curriculum requirements and in line with curriculum policy.		
	To work towards and promote the vision and the aims outlined in the School / Academy Improvement Plan.		

1. Corporate responsibilities:

- To ensure that the responsibilities of the role are carried out in a way that reflects the vision and values of the Trust.
- To be aware of and observe all policies, procedures, working practices and regulations, and in particular to comply with policies relating to Child Protection, Equal Opportunities, Health and Safety, Confidentiality, Data Protection and Financial Regulations, reporting any concerns to an appropriate person.
- To contribute to a culture of continuous improvement.
- To comply with all reasonable management requests.

2. Head of Department responsibilities:

Operational/Strategic Planning;

- To lead the development of appropriate syllabuses, resources, schemes of work, marking policies and teaching and learning strategies in Physics.
- To work with colleagues to formulate aims, objectives and strategic plans for Physics which
 have coherence and relevance to the need of students and to the aims, objectives and
 strategic plans of the School.
- Undertake the planning, re-writing of modules and assessment provisions required to fulfil any new statutory regulations related to Physics.
- To actively monitor and be accountable for the progress of students undertaking Physics.

Curriculum Provision;

- To ensure the delivery of an appropriate, comprehensive, high quality and cost effective Physics curriculum.
- To be accountable for KS3 and 4 Physics delivery.
- To monitor and be accountable for Physics coursework/moderation of all external examination work at KS4.

Curriculum Development;

- To support the Head of Science in sustaining, developing and innovating with Physics.
- To be responsible for monitoring and responding to curriculum development and initiatives at national, regional and local levels including vocational initiatives pertaining to Physics.

3. Expectations of all teachers:

Teachers within the Two Counties Trust ensure that the education of students is their first concern and are accountable for maintaining high standards of professional conduct.

Our teachers are expected to:

- Set high expectations which inspire, motivate and challenge students to fulfil their potential.
- Demonstrate consistently high standards of personal and professional conduct.
- Ensure that students are offered engaging and high-quality learning opportunities.
- Facilitate, support and monitor the progress and development of students.
- Demonstrate good, current subject and curriculum knowledge.
- Plan and teach well-structured lessons.
- Adapt teaching to respond to the strengths and needs of all students.
- Make accurate and productive use of assessment.
- Treat students with dignity, building relationships which are rooted in mutual respect, observing proper boundaries as appropriate to their professional role.
- Have regard for the need to safeguard students' well-being, in accordance with statutory provisions.
- Show tolerance of and respect for others.
- Have an understanding of, and always act within, the statutory frameworks which set out their professional duties and responsibilities.
- Manage behaviour effectively in order to maintain a good and safe learning environment.
- Actively engage with performance improvement and undertake professional development activities to enhance self and job performance.

4. Teaching & Learning responsibilities:

Our teachers are expected to:

- Plan, teach and evaluate lessons, ensuring that the learning experience for all students is well matched to their educational needs.
- Create a stimulating environment for teaching and learning using a variety of methods which are appropriate to students' learning styles and the varying demands of curriculum.
- Deliver a high-quality learning experience that meets internal and external quality standards.
- Assess, record and report on the attendance, progress, development and attainment of students.
- Provide set targets for students and provide feedback, ensuring students know how best to improve, maintaining accurate and relevant records as required.
- Maintain a positive, conducive and safe learning environment, being aware of and responding to any health and safety issues.
- Encourage high standards in punctuality and presentation of work.
- Set high expectations for students' behaviour and maintain a good standard of discipline through well focused teaching, fostering positive relationships and implementing the behaviour policy.
- Use ICT appropriately and creatively to support effective learning.
- Consistently apply and support the development of policies which enable effective learning and inclusion.

5. Working with others:

Our teachers are expected to:

- Form professional and co-operative working relationships with colleagues.
- Share knowledge and expertise concerning the content, teaching strategies and learning activities that represent good practice in the relevant curriculum area(s).

- Support colleagues in the formulation of appropriate methods of assessment and recording for their curriculum area.
- Trial materials, strategies and interventions related to the subject and sharing these, and their outcomes, with colleagues in staff meetings.
- Work with parents and carers as partners in order to raise standards and achievement.

6. Other Duties relevant to the role:

Our teachers are expected to:

- Support and adhere to all quality assurance procedures.
- Maintain accurate records which identify and monitor the progress of all students.
- Communicate effectively with parents of students and with persons or bodies who are concerned with the welfare of students, after consultation with appropriate staff.
- Contribute to the personal, social, health, citizenship and enterprise education of students according to the agreed policy.
- Carry out a share of supervisory duties in accordance with published rosters.
- Participate in appropriate meetings with staff and parents as defined by the annual calendar.

Notes:

This document is an overview of the role. The responsibilities will include but will not be limited to those listed above and it is anticipated that the role will evolve over time and as such the duties may change.

This document does not form part of the contract of employment.

This post will have contact with children and as such a satisfactory disclosure from the Disclosure and Barring Service (DBS) is required as a condition of employment.
