

Lutterworth High School

Where Learning Comes First

Job Application Pack

Special Educational Needs Co-ordinator (SENDCo)

Welcome to our school

We are delighted you have shown an interest in joining our team at Lutterworth High School.

Everything we do at LHS is underpinned by our ethos: “Where learning comes first”. We create a caring environment where students can develop to become articulate and confident young people, prepared for the next stage of their education and able to participate and contribute to society. We know that to learn, students need to feel safe and happy. Both the size of our school and the support offered enables our students to develop their passions and interests and grasp every learning opportunity both within and beyond the curriculum.

With student learning at the heart of everything we do, our teachers strive to deliver the very best standard of teaching and learning and ensure our students are excited and engaged. We are incredibly proud of our broad and balanced curriculum and our vast co-curricular offer which is encompassed by ‘The Emerald Way.’

Our team of staff are truly special and everyone is dedicated to creating the best learning environment possible. We are aligned in our commitment that learning comes first and we strive to ensure that all students, irrespective of their starting point, achieve excellent educational outcomes. Staff at all levels are supported through a range of training and wellbeing activities to enhance their day to day role and wider career progression.

Julian Kirby
Headteacher

About Us

Founded in 1927, Lutterworth High School prides itself on its history and traditions, visible in our House presence and reflected in our ethos and values. We enjoy healthy competition between Churchill, Cunningham, Montgomery and Tedder House.

We are an Outstanding 11-16 school located in the heart of Lutterworth Town. Previously we were an 11-14 middle school. We adapted very well to the age range change and we are enjoying excellent results. Our school mission statement is 'Where learning comes first' and our staff strive to deliver innovative and exciting lessons.

Our students describe the school as 'modern and dynamic' and they eagerly participate in the wide range of co-curricular activities we have on offer. We are proud of the excellent standards of behaviour our students demonstrate, they have a genuine appetite for learning and are happy to be at school. Everyone at our school immerses themselves into the many events that we hold.

We pride ourselves on the opportunities available to our students. We offer a wide variety of sports and we have an extensive fixture list against leading state and independent schools along with a comprehensive extra-curricular programme. Many of our students participate in sport at county, regional and national level.

We are proud of our excellent reputation and, as a very popular school with a high demand for places, we continue to look at opportunities to develop in the future.

Special Educational Needs Co-ordinator (SENDCo)

Salary: MPS/UPS with TLR2D (£7017)
