

PARMITER'S SCHOOL
founded 1681

Co-educational Academy

Roll: 1442 including 398 in academic Sixth Form

Teacher of Physics
Start date: April 2020

Salary: Main Pay Scale/Upper Pay Scale plus London Fringe Allowance

An exciting opportunity for an enthusiastic Physicist to join our successful Science faculty. The Sciences are hugely popular at A Level, with 6 A Level Physics groups across the Sixth Form. At GCSE over half the cohort study Triple Science. Having recently secured funding, the school is soon to start building a fantastic new Science block ensuring that we have outstanding facilities for staff and students.

A Level Physics teaching will be offered to suitably qualified or experienced candidates. Although primarily teaching Physics, the successful applicant will be able to teach all of the science disciplines (Biology, Chemistry and Physics) at Years 7 and 8.

Candidates are welcome to visit the school informally prior to application.

Parmiter's is an exceptional school in which to teach, with highly positive and supportive relationships between the staff and students. Parmiter's coordinates Teacher Training for the Herts and Bucks Teaching School Alliance and offers a robust induction programme, complimented by a bespoke CPD programme supporting colleagues at all stages of their careers. We are able to support the completion of an MA for candidates with the appropriate credits. Our admissions policy prioritises children of staff.

Application forms, available from the school website, should be returned with a covering letter to the Headmaster, Mr M Jones, Parmiter's School at admin@parmiters.herts.sch.uk.

Closing Date: Wednesday 20th November 2019

Telephone: 01923 671424 Website: www.parmiters.herts.sch.uk

Parmiter's School is committed to safeguarding and promoting the welfare of children, and applicants must be willing to undergo child protection screening, including checks with past employers and the Disclosure and Barring Service.
