**EYFS Class Teacher**

**Candidate Brief**

# Welcome from the Headteacher, Jon Perriss

Dear Candidate,

Thank you for taking the time to consider this position. St. Catherine's British School is, by reputation, the school in Athens, and indeed, in Greece. We are one of only two HMC schools in Greece and are an executive member of COBIS.

We are a large school with top quality facilities, bright and aspirational students, talented staff, and fantastic parents and alumni. We are also a community that is warm, welcoming and engaging, with our values of Care, Dedication, Curiosity and Integrity embedded throughout.

We offer an excellent package to staff, from generous fee remission for staff children, to assistance programmes, private medical insurance and well supported CPD. Greece is also a beautiful and wonderful place to live!

As an EYFS Class Teacher at St. Catherine's British School, you will inspire academic and personal growth by developing and delivering a comprehensive curriculum that stimulates creativity, fosters artistic skills, and encourages a love learning in our Early Years students.

I have just started at the school and am excited by the opportunity to take St. Catherine's forward over the next few years; I would love for you to join me on this journey.

# About St. Catherine's British School

## About Us

St. Catherine's British School has approximately 1,400 students aged 3 to 18, situated in Lykovrissi, near the vibrant area of Kifissia and just a short ride from the historic centre of Athens.

The School has a workforce of around 350 Teaching and Support Staff. As one of the few British Schools Overseas (BSO) accredited schools in Greece, we uphold the highest international standards whilst also maintaining our British Heritage.

We are proud to be an IBO World School, teaching the EYFS curriculum, IGCSEs, and the International Baccalaureate (IB) Diploma Programme.

## Our Values

Care | Dedication | Integrity | Curiosity

We champion them every day and they are embedded throughout our community.

## Our Purpose

Working in partnership with families, we empower young people to understand, care, and create a better future, delivering a high-quality British education that equips students for global success.

The school is an ambitious, high-quality environment, as well as being a warm and inclusive community. Our modern facilities, including an impressive new Upper School campus, offer inspiring spaces that enhance the learning experience.

Our public exam results are outstanding, and we also place great importance on student and staff wellbeing, outdoor experiences (the Duke of Edinburgh International Award), sports, music and the performing arts.

The parents are supportive and engaged and we are fortunate to have an impressive board of governors to support and guide us.

# IB & GCSE RESULTS

St Catherine's flourishing IB Diploma programme each year sends **over 90** graduates to many of the world's leading institutions.

In May 2024, **97%** of the cohort passed the Diploma with an **average grade of 36 points**, with 26% of the students securing 40 points or more. They secured places at Cambridge, Oxford, Yale, Columbia, Imperial, King's, UCL, Brown, Edinburgh, Tufts, McGill, Trinity College Dublin and Bocconi universities, amongst others. Half of the graduates will study in the UK, a quarter in North America and the remainder entering institutions across the European Union.

In 2024, the **average GCSE grade** was **6.78** (just below and **A** grade in 'old money') with streamlined academic programmes throughout the school supported by innovative technology.

# OUTDOOR EDUCATION

Outdoor education complements traditional academic learning by offering hands-on experiences that make learning more engaging and relevant. It involves activities that help students develop personal and social skills, environmental awareness, and a sense of adventure through outdoor experiences like hiking, camping, and team-building exercises. The goal is to engage students in real-world learning by fostering a connection with nature, enhancing physical activity, and encouraging problem-solving and critical thinking outside the classroom.

## **The Duke of Edinburgh's International Award**

The Duke of Edinburgh's International Award, which has been running worldwide since 1956, is a prestigious and highly-prized, internationally-renowned programme which enables participants' development through a series of self-directed Skill, Physical Recreation and Voluntary Service activities and an overnight expedition.

Participants are required to engage in activities in each of these areas, pushing their limits and broadening their horizons. By completing these challenges, young people not only enhance their personal development but also gain a sense of achievement and self-confidence that lasts a lifetime.

Our students enjoy taking part and it's always exciting to see their personal development as they progress through the Bronze, Silver and Gold levels of the Award.

# SPORTS

St. Catherine's British School is well-known for its robust sports program, emphasizing both participation and excellence in various athletic disciplines.

The school participates actively in a wide array of international competitions, including prestigious events like the World School games (held each year in Dubai) and the Council of British International Schools (COBIS) games. The latter tournament gathers students from British schools across the globe, offering them the chance to compete in sports such as athletics, swimming, and football at renowned venues like the Olympic Stadium and Aquatic Centre in Athens.
