Dear Candidate

Thank you for expressing an interest in the post of Teacher of Art. It gives me pleasure to provide details of an exciting post in a school that prides itself on delivering a rich range of opportunities for its students.

This is an opportunity to join a harmonious, forward thinking school with high expectations of its young people. Our values and 'World Ready, Career Ready' ethos are designed to challenge all of our young people to achieve excellence and to develop the knowledge, skills and character to succeed.

We have created an innovative, enjoyable and highly professional environment for students and staff and the school is making a real difference to the lives of our students. I am proud of the progress we have made as standards of achievement have continued to rise and am confident that we have appropriate strategies in place for further and sustained improvement.

Of particular interest to candidates for this post will be the significant investment that we have made to ensure that the Art and DT rooms provide us with exceptional facilities and the ability to completely transform learning experiences in this area.

The diversity of the school community ensures that Bow is a vibrant and interesting place to work. We provide excellent support systems and structures for all staff. Bow School is committed to the professional development of all its staff. The successful candidate will be entitled to a full training programme in line with school improvement priorities and personal appraisal targets.

As an employer we are committed to safeguarding and promoting the welfare of children. Enhanced DBS clearance is a statutory requirement for all positions.

The post requires a colleague with a strong background in Art and experience teaching across KS3, KS4 and KS5, who has energy and vision and a strong desire to improve the opportunities for our students. The successful candidate will have a passion for fostering creativity and innovation in the classroom. If you have the professional and personal qualities to be that person, I can promise you a real sense of achievement and first class development opportunities.

Applicants should complete an application form (CVs are not acceptable), and write a concise statement of no more than two sides of A4, outlining how their achievements and experiences make them a suitable candidate for this post. The form and statement should be returned to hr@bow-school.org.uk to arrive no later than **9.00am on Wednesday 7th May 2025**.

May I wish you every success in your application.
