

Job Description

School: Kirk Hallam Community Academy
Post: Teacher of Computing
Responsible to: Director of Maths
Dated: Monday 12th April 2021, midday
Salary: MPS

Purpose of the role

To teach pupils in allocated classes in order to ensure that their learning is of the highest quality.

Responsibilities

- Follow the Routines and Structures provided by the school in order to establish a strong culture of achievement for all.
- Maintain a positive ethos within their teaching and their classroom.
- Teach pupils within allocated classes, enhancing their learning and providing the opportunity for achievement for all pupils;
- Planning and preparing tasks which challenge pupils and ensure high levels of interest during lessons;
- Monitor the academic progress of pupils within allocated classes and implement appropriate strategies to address underachievement;
- To assess, record and report on the progress and attainment of all pupils within allocated classes;
- To register the attendance of pupils in class;
- To set appropriate homework;
- To assess pupil's work and give appropriate and constructive feedback;
- To research new topic areas, maintain up-to-date subject knowledge, and devise and write new curriculum materials;
- Manage pupil behaviour in the classroom and on school premises, and apply appropriate and effective measures in cases of misbehaviour;
- Communicate with parents and carers over pupils' progress and participate in departmental meetings, parents' evenings and whole school training events;
- Undergoing regular observations and participating in regular in-service training (INSET) as part of continuing professional development (CPD); and
- Undertake critical self-evaluation and then participate in continuous professional development designed to enhance the quality of teaching or other working practices.
- To address any issues concerned with the wellbeing, personal development and academic progress of pupils within their classes;
- To check uniform and general appearance; and
- To monitor the behaviour and academic performance of pupils as directed.

Performance Management Responsibilities

- All members of staff are required to participate fully in the school's performance management system.

Other professional requirements

- Have a working knowledge of teachers' professional duties and legal liabilities
- Operate at all times within the stated policies and practices of the school
- Establish effective working relationships and set a good example through their presentation and personal and professional conduct
- Contribute to the corporate life of the school through effective participation in meetings and management systems necessary to coordinate the management of the school.
- Be an effective member of the Kirk Hallam team and understand their duties in relation to the performance of the whole school and our community.
