BRIGHTON COLLEGE

Executive Summary

Brighton College Bangkok Vibhavadi is seeking an inspirational Teacher of Early Years Foundation Stage (EYFS) to start in August 2025. The successful candidate will play a key role in the teaching of children aged 2 to 5 years old, as Brighton College Bangkok Vibhavadi seeks to become one of the region's leading all-through schools (from Pre-Nursery to Year 13). Applicants with a particular interest in teaching the Pre-Nursery age phase are encouraged to apply.

This is an exciting opportunity for an outstanding teacher to contribute to a thriving and happy school where academic excellence, kindness and innovation drive its provision. The successful candidate will be instrumental in developing a world-class education for the school's youngest learners. They must be a committed team player who has a passion, expertise and ambition to deliver the highest quality of teaching and learning.

Brighton College Bangkok Vibhavadi will be the second Brighton College school in Bangkok. The first Brighton College Bangkok, which opened in Krungthep Kreetha in 2016, was named 'International School of the Year' at the prestigious International School of the Year Awards in October 2024. In August 2025, Brighton College Bangkok Vibhavadi will open in brand-new, state-of-the-art facilities. At this point, the community of more than 450 pupils in Pre-Nursery to Year 13 at St Stephen's International School will move into the new facilities, and the school will be renamed Brighton College Bangkok Vibhavadi. St Stephen's and Brighton College are already closely aligned in values, with the former's focus on an 'East meets West' international mindedness and development of respectful leaders, resonating closely with the Brighton values of kindness and social responsibility.

The candidate appointed to this role will report to the Early Years Foundation Stage (EYFS) Co-ordinator. The EYFS at Brighton College Bangkok Vibhavadi includes Pre-Nursery (2+ years), Nursery (3+ years) and Reception (4+ years) year groups. Experience of teaching in EYFS is required, with experience of teaching 2+ Years of being particular advantage. This role may also suit a newly qualified EYFS teacher who can evidence both their commitment to teaching excellence through their classroom experience to date and an appetite to learn.

This position represents a career-defining, professional challenge for either a current or newly qualified teacher, who is excited by the opportunity of working in a growing school. The Teacher of EYFS should also be enthused by the opportunities for both teacher and pupil collaboration between the Brighton sister schools. As with all Brighton College teaching posts, the successful candidate will share our aim of developing well-educated, respectful, and curious young men and women ready to take a full, active and positive role in the world.

The Brighton College *Family* of Schools

Brighton College was one of the first UK independent schools to take its distinctive approach to education to markets beyond the UK. From the outset of this international development in 2011, when Brighton College Abu Dhabi opened, our driving ambition has been to ensure each new addition to our family of schools is recognisably a Brighton College school. The Brighton College International (BCI) group now has schools in: Abu Dhabi (2011), Al Ain (2013), Bangkok (2016), Dubai (2018), Singapore (2020), London (2023) and Hanoi (2023). The second school in Bangkok will open in August 2025.

Brighton College UK

Brighton College – awarded the title of ‘School of the Decade’ by *The Sunday Times* – is consistently recognised as the UK’s leading co-educational independent school. Academic results place Brighton College in the top 10 schools in England.

In addition to the ‘School of the Decade’ award in 2020, Brighton College has achieved numerous other recent accolades, such as: Most Forward Looking School in Britain (*The Week*); Top School in Britain for STEM Subjects (*The Week*); Best Sixth Form in Britain (*The Week*); Top School for A-levels 2025 (*The Sunday Times*) and Best 125 Private Schools Across the Globe (*Carfax Education*). Brighton

College international schools across the world are also award-winning in their own right. Recent awards have included: International School of the Year (BC Bangkok 2024, ISOTY Awards); Best New School in the UAE (BC Dubai 2024, Top Schools Awards); Top 10 Private Schools in the Middle East (BC Abu Dhabi 2024, Spear’s Index); Best Early Years School in the UAE (BC Al Ain, Lux Education Awards); and Best New School (BC Singapore 2023, Singapore Education Awards).

Brighton College International

Brighton College International (BCI) has put in place the structure, resources and expertise to ensure that the Brighton DNA prevails in all Brighton schools. Brighton College’s

Principal and Group CEO, Richard Cairns, is actively engaged in the work of the international schools, and a team of talented colleagues in BCI provide support across the curriculum, admissions, operations, marketing and innovation.

The Heads in our family of schools receive support from, and regular communication with, the BCI team, whilst being given the autonomy to lead their schools and ensure their school works most effectively in its local context. In addition to support from quality assurance visits by Brighton College UK, there are numerous instances of further collaboration within our family of schools. These include professional development for teachers, pupil collaboration, shared webinars and guest speakers

across the group. Alumni from every school are part of the Brighton College Connect network, with several thousand members.

Curiosity, Confidence and Kindness

Every Brighton College school is a happy place, with a warm, inclusive and respectful community. All Brighton schools promote curiosity and a love of learning from our nursery pupils, right through to our leavers at age 18, which is one of the reasons why Brighton College pupils do so well in examinations and go on to many of the world’s top universities. Academic endeavour alone is not the full story, however, and exam results, excellent though they are, do not fully reflect the richness of a Brighton education. This becomes clear through

meeting our pupils: all visitors comment on their confidence – the right sort of confidence – which arises from their being encouraged to participate in lessons and the co-curriculum; to take an active interest in, and involve themselves with, the community beyond the school gates; to learn to collaborate and show one another kindness and respect. We constantly stress the importance of kindness, and encourage pupils actively to seek opportunities to demonstrate their commitment to this vital quality.

With each Brighton College International school embracing the educational values, distinctive character and high standards of Brighton College UK, the Brighton DNA is evident throughout our family of exceptional schools.

About Brighton College *Bangkok Vibhavadi*

Brighton College Bangkok Vibhavadi will be a co-educational day school offering a progressive British style education with a global outlook, underpinned by the aims and ethos of Brighton College UK, the UK's leading co-educational independent school. The school will cater for pupils aged 2 to 18, leading to IGCSEs and A-levels.

Academic Life and Pastoral Care

Brighton College Bangkok Vibhavadi will join the world-renowned Brighton College family of schools, where academic success stems from the development of a life-long love of learning and outstanding pastoral care. Individuality is celebrated, and a culture of kindness is integral to each and every Brighton school. Local

languages, history and culture are central to the curriculum in Brighton College Bangkok Vibhavadi. The teaching of Thai language, history and culture forms the foundation of the curriculum in both the Prep and Senior Schools. Pupils currently follow the range of cultural events and activities to further their understanding of, and respect for, the rich heritage of the country in which they live.

Prep School (Pre-Nursery to Year 6)

Teaching in Pre-Nursery to Reception is based on the Early Years Foundation Stage (EYFS) framework. In Key Stages 1 and 2, pupils follow the International Primary Curriculum (IPC), enhanced and modified to reflect the location and international mix of pupils attending the school. Pupils are taught by talented, enthusiastic class teachers, with a significant emphasis on English, maths and Thai language development. Specialist teachers work with children across specific subject areas such as PE, swimming, computing, art, DT, drama, music and languages.

Senior School (Years 7 to 11)

Pupils move into the Senior School in Year 7, where the curriculum is underpinned by the English National Curriculum, whilst incorporating many elements of the Brighton College DNA, such as Story of Our Land (integrated humanities), Entrepreneurship and Presentation Skills. The curriculum they follow is academically rigorous, and designed specifically for pupils learning in an international community, whilst maintaining a strong local context. At the end of Year 11, pupils will sit their IGCSE examinations.

Sixth Form (Years 12 and 13)

At the end of Year 11, pupils begin the transition into the Sixth Form. In Year 12, most pupils start with four subjects and further develop their skills and understanding in preparation for university study. All Year 12 and 13 pupils enjoy the benefits of *The Sixth Form Club and Study*. This is a multifunctional space, designed for both quiet, independent study, and relaxed social events; it is also the base from which the Sixth Form team provides university and careers guidance. At the end of Year 13, pupils will sit their A-level examinations and can expect to be well-supported on to pathways to world-class universities in Thailand, the UK, USA and beyond.

Life *Beyond* the Classroom

The Arts

Artistic endeavour encourages pupils to be curious, courageous and original, and in doing so, enlivens and complements the academic life of the school. The new school campus creates opportunities for art, music, dance and drama for pupils of all ages, with Prep pupils able to access their own performance and rehearsal spaces.

Sport

Our 'sport for all' ethos supports our top athletes and also all our pupils to experience, enjoy and succeed in a wide variety of sporting activities. Brighton College Bangkok Vibhavadi benefits from an outstanding array of first-class, brand-new facilities, in addition to opportunities to engage in joint sporting events with its sister school, Brighton College Bangkok, in Krungthep Kreetha. All Brighton schools operate competitive fixture programmes, giving pupils the chance to participate in matches both locally and further afield.

Activities

Co-curricular activities on offer beyond timetabled lessons reflect the diverse skills, interest and enthusiasms of our community. From book clubs, to robotics, to hammer beads, to choirs, to Model United Nations, each individual pupil is able to try something different and develop new skills.

Social Responsibility

Social responsibility and community service are essential elements of the Brighton College DNA. We believe everyone can play an active part in society, and we encourage all our pupils and staff to get involved with community and global initiatives.
