INTRODUCTION FROM THE PRINCIPAL

Dear Colleague,

Thank you for your interest in the position of Teacher of Chemistry and Applied Science at Joseph Chamberlain Sixth Form College for September 2024. This is an excellent opportunity for a remarkable candidate to work in a large, inclusive and highly successful Sixth Form College near central Birmingham. I am always really proud and excited to be leading our exceptional college, where the staff and students are an absolute pleasure to work with.

Our 16-18 year old students come from diverse backgrounds and, being placed in one of the more deprived areas of the country, presents us with some challenges. However, what makes Joseph Chamberlain College so special, and such an energising place to work at, are the rewards that come from seeing those same students achieve phenomenal success and develop as confident, aspirational young adults who enter Higher Education at the end of two years with us. We take great pleasure in knowing that we make a really positive difference to the lives of hundreds of young people each year, setting them off on the right path to secure excellent careers in the future. In addition, our separate Adult Learning Centre provides an outstanding curriculum at all levels to our local community, with a particular focus on improving the English and maths skills for students whose first language is not English.

Since I joined the College, I have watched it grow from strength to strength. Our achievement rates are consistently high and the progress our students make places us in the top 25% of all school sixth forms, Sixth Form Colleges and FE Colleges in the country. We are the highest performing Sixth Form College in the Midlands and, in our most recent Ofsted inspection of December 2023, we were once again awarded their highest grade of 'outstanding' in all categories. This is, I believe, because our teachers are some of the best in the country and they are relentless in their dedication to our students. Our teachers are also ably supported by fantastic support service teams, who are equally dedicated and committed to ensuring the success of the students we work with.

I want to continue to appoint positive, like-minded individuals, who share a passion for working with young people to transform their lives for the better, who will work with drive and determination to help them achieve and who will care a great deal about their development and well-being. In return, whatever your experience, I will ensure that you are fully recognised and appreciated for this hard-work and benefit from extensive professional development, great career opportunities, first-class facilities and positive support from exceptional colleagues and leaders who care about those they work with.

Finally, I would like to say that I do appreciate your investment of time in exploring the College and, hopefully, submitting an application for this role. If you have any questions at all, please do contact us and we will be more than happy to help.

Whatever the outcome, I wish you the very best in the future.

Tony Day – Principal

ABOUT JOSEPH CHAMBERLAIN COLLEGE

Background and Context

Joseph Chamberlain College is a hugely popular and highly successful Sixth Form College that was established in 1983 and now offers a wide range of academic courses at all levels to around 2600 school leavers and approximately 700 adults on a separate site.

Our curriculum offer and entry criteria are highly inclusive, offering clear progression routes to success for all students, regardless of their starting points and backgrounds. Approximately 80% of our work is with 16-18 year olds at Level 3, who study AS/A Levels or Level 3 BTEC Extended Diplomas. At Level 2, we offer BTECs and GCSE programmes to 16-18 year olds; at Entry Level and Level 1, we have an extensive ESOL provision. In addition, our separate Adult Learning Directorate offers classes in ESOL, Literacy, Numeracy and Access to HE in a range of community venues. Our wider curriculum is also rich and varied allowing students to benefit from a great deal of choice in sports, additional languages, performing arts, citizenship, and various other student-led clubs/societies.

In 2023, students at Joseph Chamberlain College achieved outstanding exam results, placing us in the top 25% of all schools and colleges nationally for the tenth consecutive year. In the most recent Ofsted inspection of December 2023, we were graded as 'outstanding' in all categories for the second time; we are the only College in the West Midlands to achieve this in two consecutive inspections. Our College continues to provide a broad, inclusive and high-quality education to all of our students which results in exceptionally high levels of progression to Higher Education. We were featured in the Parliamentary Review for a second time for best practice in further education, and we have been awarded the Teachers' Development Trust (TDT) Silver award for our comprehensive package of innovative and high-impact professional development. As part of a local Teaching Alliance, we support all newly qualified teachers, from both secondary and post-16 backgrounds, to complete their ECT year and achieve either QTS or QTLS.

The College is situated within easy reach of Birmingham city centre in a state-of-the-art building with superbly equipped classrooms and outstanding facilities.
