Brookfield Community School

Assistant Headteacher – Teaching and Learning L12-16

Thank you for your interest in the post of Assistant Headteacher at Brookfield Community School. This position represents an opportunity to join a successful and hardworking senior team in a school that has consistently achieved results well above the national average at GCSE and Post 16.

The current post holder is leaving at Easter in order to take up a position with HEPP. Another member of SLT retires at the end of the academic year and so the decision has been taken to restructure SLT. As part of the structure it is proposed that we will also appoint an Associate Assistant Headteacher who will work with the successful candidate, taking ownership of a discrete area of work to do with Teaching and Learning.

In September the leadership team will consist of:

Steve Edmonds	-	Headteacher
Steve Dooley	-	Deputy Headteacher
Ros Mason	-	Assistant Headteacher (Curriculum)
Sarah Metcalfe	-	Assistant Headteacher (KS5)
Helen Dafforne	-	Assistant Headteacher (KS3)
Glenn Turner	-	Business Manager

We are looking for a candidate who will:

- add to the existing excellent spirit of teamwork
- be a significant and visible presence in and around school
- command the respect of colleagues, students and parents
- be a role model for colleagues aspiring to senior leadership

and who has the skills to develop, monitor, evaluate and assess impact in the areas outlined in the job description.

The candidate should have:

- A record of successful middle or senior leadership.
- Commitment to comprehensive community student focused education.
- Clear ideas about continuous school improvement.
- Experience of developing Teaching and Learning.
- Experience of raising attainment.
- A strong work ethic and the capacity and desire to make a difference for all students.

Brookfield converted to Academy status in April 2011. We are centrally involved with the work of the Chesterfield Learning Community; a collaboration of ten secondary schools, Chesterfield College and local training providers. As part of this we are part of the Area Inclusion Strategy and fully support the Local Authority's Fair Access Protocol. We continue to have a healthy relationship with the Local Authority.

We are determined to build further on the success that we achieve in order to ensure that every student here can reach their full potential; academically, socially and as members of the community. We are determined to raise further our levels of student achievement and the quality of our overall provision. This appointment will be central to that development.

Included within this pack is the following information:

- Job Description
- Person Specification
- Leadership Team Model – Current
- Leadership Team Model - Proposed
- School Information
- School Prospectus

We ask much of the successful candidate. Equally, we feel that as a school we have a lot to offer. You are welcome to visit the school or discuss the post informally with me.

I look forward to hearing from you.

Yours faithfully
