## Welcome to the Alec Reed Academy.

Thank you for considering us for your next career move. Alec Reed Academy's passion is for learning. We want our students to be excited by their experience in our Nursery, Primary and Secondary Phase classrooms and beyond, and committed to achieving their very best and confident about their futures. The combination of passionate and talented teaching and support staff and excellent facilities create an enviable learning environment, where traditional values, high reaching aspirations and creative curiosity underpin our pursuit of excellence.

We are on a very exciting and rapid improvement journey and offer candidates the opportunity to make a real impact on the life chances of our students, together with providing excellent professional development and further promotion opportunities.

Although there are perhaps easier places to teach, we work very hard, support each other and enjoy each other's company. We are committed to doing whatever it takes to ensure our students reach their potential and are dedicated to maintaining a solid foundation upon which sits a happy, high achieving Academy.

It is our ambition to become a securely outstanding school and great progress has already been made. As you are aware the Academy is outer London but with Inner London Pay, offers Visa Sponsorship, free parking, free use of our state of the art gym, subsidised meals and family friendly policies including dependents entitlement and childcare vouchers.

Since we're just off the A40 at the Target Roundabout, travel connections are first-rate, with the A40/M25/M4/North Circular within easy reach and the Central Line Station just a short Bus ride away. We can also help with sourcing accommodation and advising on local amenities should it be needed.
