About Notre Dame Catholic College

Notre Dame is a Catholic Sixth Form College with a historical track record of success. It is located near to the universities and within walking distance of the city centre with good transport connections to the rail/bus stations. Our core activity is to provide education for students aged 16-18, offering a range of A Level and BTEC courses, at both level 2 and 3. It is a very successful college of approximately 1900 full time 16-18 year olds. Notre Dame's success rate makes it one of the best sixth form centres in the country. Student progression is excellent, with circa 80% progressing to University, a significant number achieving Russell Group and Oxbridge places, with an increasing number of students opting for apprenticeships. Students study in a purposeful and diverse environment with a strong focus on respect in which every learner genuinely does matter.

An Outstanding College

The latest Ofsted Inspection in the summer of 2008 graded all areas of the College as 'outstanding'. It confirmed that there is a culture of high expectations and rigorous quality improvement in all areas. Standards, expectations and processes have continued to improve since then. Students achieve well above their target grades and make a positive contribution to the College and its wider community. Student attendance and behaviour are exemplary, illustrating that the Catholic mission and ethos of the College is lived out at all levels.

Our Community

Notre Dame offers Catholic students from Leeds and surrounding towns and districts an excellent opportunity to continue their education in an environment that lives by its mission to build a community based on faith and trust. The College has a high proportion of students from disadvantaged areas (the College is in the lowest quartile of providers nationally in terms of disadvantage). Students are supported in their personal, academic and spiritual needs. Although the majority of the students are from Catholic backgrounds, the College welcomes students of other faiths and celebrates the diversity of the student population.

Links with the Catholic and local high schools are very strong. The Principal meets regularly with Head Teachers to discuss and share a wide range of curriculum, pastoral and strategic issues. Relationships with College trustees, and with the Diocese of Leeds are maintained through the foundation governors.

The College has outstanding links with both the local and wider community. Learners and staff fully contribute to this for example students at the College are continually seeking to engage in volunteer work within the community. Voluntary work is carried out in the local community by the CAFOD Group; Health and Social Care students; the Medevs and Chaplaincy. The curriculum

departments also contribute widely to the links with local community groups, charities and local primary schools.

Notre Dame has an extensive range of enhancement and enrichment activities, involving many team sports, drama, voluntary work, overseas visits (Spain, France, USA, Prague, China). There is a first class programme of student support and a very active Chaplaincy group.

As a Catholic Sixth Form College we strive to be a centre of educational excellence for the community built on faith, respect and trust. We celebrate diversity amongst all our students and staff and seek to nurture the gifts of each individual through high quality teaching and learning and dedicated pastoral care.

Staff at Notre Dame Catholic College

Notre Dame Catholic College has achieved all of its success through the hard work, skills and commitment of its 170 plus staff. We seek to work with an inclusive and transparent style of management, which is open, consultative and encourages all staff to participate in the leadership and management of the College. The development of staff skills is a priority for the College and teams are encouraged to innovate and continuously improve Notre Dame's curricular and pastoral offer to its students.

I absolutely love it here, the great students, the wonderful staff who are genuinely so caring and the feeling of being part of such a 'tight' family. We all do work hard, but I don't mind as I feel valued and appreciated. Even though I am Sikh, I have always felt a strong sense of connection within this Catholic College allowing me to develop strong friendships. I honestly believe that my time at Notre Dame has enabled me to be the best possible version of myself as a professional and as a person.'
