A mixed Comprehensive school with a Sixth Form.

Required from September 2019

Teacher of Science
MPS/UPS
Full Time Permanent

Are you an ambitious and dynamic teacher of science? We are looking to appoint an enthusiastic and well-qualified colleague to join our science team. Chemistry/Physics specialism is preferable.

North Bromsgrove was placed in Special Measures in June 2018. We have absolutely no doubts that our school will be judged good at the next inspection and with 64% of students gaining 4+in English and Maths this year, we have a great platform on which to build. We encourage talented, ambitious teachers to come and see what a genuine opportunity this role presents.

This is an exciting time to join a friendly, enthusiastic and dedicated team and to play a key part in supporting the transition to becoming an excellent school.

We can offer you:

- A welcoming and supportive environment
- Effective professional support and development
- Opportunities for leadership development
- Excellent facilities
- A forward looking school where excellent teachers can transform lives

This school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The successful candidate will undertake an Enhanced Disclosure via the DBS, where appropriate.

Closing date for applications: Tuesday 19 March 2019 at 12 noon

Further information and an application form are available on the school website.
