December 2017

Dear Prospective Applicant

WELCOME

Thank you for expressing an interest in the advertised position at our '**outstanding school'** (Ofsted).

We are looking for an enthusiastic and committed colleague who would thrive on this opportunity to develop their experience and make a significant contribution to school life in and out of the classroom. As one of the first all-through schools educating children from 4 to 18 with an outstanding Sixth Form of 500+ we are passionate about improving all that we do as a learning community. All staff are very well supported by a friendly team of hard working professionals who are committed to making this the top performing department in the city!

Our truly comprehensive community reflects the cosmopolitan nature of Leeds itself and is a real strength. ***'The core values of courtesy, cooperation and commitment permeate every aspect of the school.' 'Roundhay is all about its students. Staff ensure that each one, regardless of background or ability, is given every opportunity to shine'*** **Ofsted.** However, we are far from complacent and know that, in spite of the fact that we are the most over-subscribed school in Leeds, with 100% of our staff recommending Roundhay as a place to work and 99% of parents also recommending us, our reputation is hard won and easily lost. Staff development is at the heart of what we do!

We pride ourselves on having a strong ethos, which permeates the work of all staff and pupils in our community. You can be sure of a warm welcome and genuine support in all that you do. Please read this application pack carefully as the guidance it contains will help you make an informed decision over whether you may wish to apply.

I feel very fortunate, as Headteacher, to have ***'the unanimous support of staff in the mission to create an inclusive school where every student is enabled to 'be the best they can be'*** **Ofsted**. We do not claim to get it right all of the time, but our passion to serve the needs of all students is at the forefront of our beliefs as Ofsted captured. ***'There is no room for complacency anywhere in school and both leaders and staff are unrelenting in their pursuit of excellence'*** **Ofsted.**

We welcome your application if you feel this is the right school community for you!

Yours sincerely

Matthew Partington
Headteacher

School Overview

Our Mission Statement
"Courtesy, co-operation and commitment" are key to making the school a happy, safe and caring place of learning, where every child matters. We are dedicated to enabling our pupils to raise their aspirations and achieve their full potential to "be the best they can be". We aim to help our pupils to take their place in society as healthy, responsible and independent citizens, who have respect for themselves, one another and the wider community.

'Student and staff relationships are extremely good. Students' personal development is exceptional and behaviour is exemplary.' … 'The core values of courtesy, cooperation and commitment permeate every aspect of the school.' Ofsted

Our Pupils
The school population reflects the cosmopolitan nature of modern Leeds. The pupils come from a very wide variety of socio-economic and ethnic backgrounds; more than 27 languages are represented, with around 60% of our pupils drawn from the black and ethnic minorities. This gives the school great strength in its many endeavours and relationships.

'The atmosphere in lessons is very positive and supportive' … 'Learning moves at a lively pace'. Ofsted

We currently have around 2000 pupils, which will grow to 2500, in this 4-18 co-educational community comprehensive school, making it one of the largest within Leeds. Our specialist Dyslexic Base, catering for 16 pupils, our SEN provision and our 450+ strong and very successful Sixth Form (one of the biggest in the region) are just some of our many strengths.

'Behaviour in lessons is exemplary' … 'Movement around the school is extremely orderly and students show consideration and respect for each other'. Ofsted

In September 2012 we became one of the first 'all-through' schools in the region, growing with a new intake every year. Our first primary cohorts will join up with the secondary aged pupils in 2019. We have a separate £4.8 million purpose built Primary Campus located just a mile away from the Secondary Campus.

We are proud of examination success at all key stages. At A-Level over 30 subjects are taught and with excellent achievement we find that the majority of our students are able to progress to higher education including seven students going to Oxford and Cambridge Universities in 2013 and four in both 2014 and 2015. At KS4 we achieved over 70% five of more A*-C including Maths and English. We have the highest expectations of every pupil and strive to achieve high standards in all that we do, both academically and socially.

'The atmosphere in lessons is very positive and supportive. As one student said, "It is cool to want to learn at Roundhay". Students are comfortable admitting that they do not understand a particular point and others often try to help by offering alternative explanations. Students are keen to volunteer ideas and participate.' Ofsted

'Students, from a very wide range of backgrounds, work and socialise together extremely well.' Ofsted

Our Staff

We are fortunate to have highly-committed, professional and friendly staff, who have worked hard and successfully to establish a thriving learning community. Many staff have sent, or currently send, their own children to Roundhay, which is a real vote of confidence.

'Student and staff relationships are extremely good. Students' personal development is exceptional and behaviour is exemplary.' Ofsted

'Teachers have an infectious enthusiasm for their subject which is communicated to the students' … 'Professional development is a strength of the school' … 'The quality of teaching is outstanding'. Ofsted

We also have other pupils who come from families with parents professionally involved in education, which helps to keep us on our toes! We take seriously the professional development of all our staff. As a school, we are heavily involved in Initial Teacher Training and are a strategic partner within a Teaching School Alliance (Red Kite) which involves sharing outstanding practice across four local authorities. School improvement and self-review are central to our drive to raise standards. We have around 250 staff, both associate and teaching, who work very hard as a team to ensure they support both the pupils and each other.

Our Area

The school's two campuses are situated in north-east Leeds, adjacent to Roundhay Park, and are surrounded by highly sought-after owner-occupied houses. The settings can only be described as impressive. The schools grounds are magnificent; the campuses cover over 30 acres of parkland combined. We also serve some of the most economically and socially-deprived areas of the city, as well as more favoured wards, giving us the rich mix of pupils that makes us a 'true comprehensive'. Currently, around 25% of our pupils are classified as being Pupil Premium children with 14% currently entitled to free school meals.

'Students who attract Pupil Premium funding are monitored very closely' … 'making exceptional progress and closing any attainment gap with their peers at a very fast rate'. Ofsted

'Primary provision is outstanding. Pupils make extremely rapid progress, teaching is outstanding, resources are first-rate and leadership is exceptional.' Ofsted

Our Facilities

We have very good facilities, and since our Secondary Campus was rebuilt in 2004 we have invested heavily both in ICT and in improving facilities, such as creating Applemac Media rooms, music practise rooms and improved recital areas to enhance the learning and teaching experience of pupils and staff alike. The newly opened primary building, which is located on a separate campus, is truly wonderful and has excellent resources.

We have an £11 million building project underway with an extended dining centre, additional car parking, artificial pitch with floodlights and a new building (one and a half times the size of the current Primary Campus).

Our School Organisation

Our separate Primary Campus introduces two forms each year and when full in 2019 will house 480 children. The Primary school day starts at 8.50am and ends at 3.10pm. In Years 7, 8 and 9, pupils are grouped for registration and for Personal, Social, Health and Citizenship Education (PSHCE), in mixed-ability form groups that remain together until the end of Year 11. For teaching purposes, pupils are placed in a variety of groupings as appropriate, including setting and some mixed-ability grouping. Each lesson at the Secondary Campus is one hour in length, five per day. The secondary school day commences at 8.25am and finishes at 3.00pm, followed by extra-curricular activities.

In Years 10 and 11, currently pupils may choose two options to study, normally alongside the compulsory core subjects of Mathematics, English, Science, Foreign Language, RE, PSHCE and Games/PE, a number of which at GCSE level may be started in Year 9. We are, like most schools, undertaking a curriculum review. In Year 12, students choose an individual programme of study leading to BTEC and/or GCE 'A/S' levels.

Our Pastoral Organisation and Leadership

The Primary Campus is led by the Primary Leader who is a member of the Leadership Group and as the provision grows so will its staffing structure. At the Secondary Campus Years 7, 8, 9, 10 and 11 are led by Progress Leaders, assisted by teams of tutors and overseen by the Deputy Headteacher: Pupils. We have an Assistant Headteacher: KS5 who works with our Head of Post-16 and her team, supported by Academic Mentors. There is a strong tradition of support for both pupils and colleagues. Our learning mentors, behaviour support workers and social inclusion achievement teams have had a powerful effect on the positive implementation of our social inclusion strategies.

'The senior leadership team is very strong and effective'. Ofsted

'The headteacher has the unanimous support of staff in the mission to create an inclusive school where every student is enabled to 'be the best they can be'. He is very accessible to both students and staff.' Ofsted

Our Extra-Curricular Activities

We have a thriving and exceptional programme of music, drama, sports teams, outdoor pursuits, residentials, art events, project days and charity events! Everyone contributes, as we feel that it is a vital part of our role in developing the potential of all our pupils and building a cohesive community.

Our Community Links

The school has excellent links with the communities it serves and actively seeks to widen these. We believe that this vital 'citizenship work' demonstrates our ethos as a school, where courtesy, co-operation and commitment are more than just words! We deliver a comprehensive programme of family and community learning as part of our Extended Services commitment.

'High ability students out-perform similar students nationally. Students of all abilities make very good progress in lessons.' Ofsted
