Welcome

Thank you for your interest in joining us at Northampton School for Girls.

We have an opportunity to grow and develop our science team through the role of Second in Faculty. We are looking for someone who shares our vision, who will enthuse our students about science, show them its beauty and relevance, and build their confidence and sense of agency to use their knowledge and skills in further study and in their lives beyond school.

We will provide you with a range of bespoke opportunities to support your career and ongoing professional development. At Northampton School for Girls, we are committed to caring for and supporting the development and growth of all our school community, students and staff alike.

Northampton School for Girls is a truly remarkable school that students and staff are, rightly, proud to be part of. It has a unique vitality that springs into life as students and staff arrive through its doors. Our school is everything but ordinary and our students never fail to impress us with their achievements and the genuine desire they have to help others. They are incredibly talented, open hearted and courageous and we are unapologetically driven to supporting them to succeed.

Underpinned by our values of **'Respect for Self, Respect for Others and Respect for Learning'**, we provide our students a rigorous and ambitious curriculum which meets the needs of individual learners' talents and interests, building the foundation for their future successes in a fast-changing world.

From its inception in 1915, Northampton School for Girls has recognised and celebrated everyone as individuals and has also embraced the power of the community. Our students recognise the impact they have on others and particularly the responsibility that they have to give of their time, talents and charity to the wider community. We foster an environment where students can expand their minds, think flexibly, develop the skills of leadership that they all have within them, and grow as individuals.

We are a school with an impressive reputation, rich cultural diversity and a long-standing track record of success: we are proud to be Northampton School for Girls.

I very much look forward to welcoming you.

Cristina Taboada-Naya | Headteacher

Job Description.

Salary: MPS/UPS + TLR2B

Reporting to: Head of Faculty (Science)

Liaising with: Line Manager, TLR holders, teachers, relevant support staff, parents/carers

Start date: January/April

Purpose

- To contribute to the effective development and delivery of subjects within the faculty
- To contribute to the development and leadership of the team of staff working within key stage 4 in Science to ensure high standards of teaching and successful learning for all students.
- To act as a role model for others in terms of philosophy and day-to-day practice within the faculty and in the school as a whole
- To assist the Head of Faculty in providing members of the faculty with the support, challenge, information and development necessary to sustain motivation and secure improvement in teaching, learning, and student achievement

Role Responsibilities

School Ethos in Action

- To uphold the school ethos: 'Respect for Self, Respect for Others, Respect for Learning'.
- To promote the school's non-negotiables: high achievement, inclusion and development of the whole child
- To promote and safeguard the welfare of children, young and vulnerable people that you are responsible for or come into contact with
- To provide a safe, happy, ordered, lively, stimulating environment and to give guidance, good examples and teaching so that each child has the opportunity to develop educationally, physically, emotionally, socially and spiritually to their full potential
- To support school policies with a commitment to high standards, high expectations and high achievement
- To foster children's development in the fullest sense, paying particular regard to the attitude and values the school promotes
- To promote a climate of encouragement and praise and actively support the school's rewards system.

Quality of Teaching

- To ensure the efficient and effective use of resources necessary for teaching and learning in the Faculty
- To ensure that the school's homework policy is effectively implemented in the assigned Key Stage in Science and to monitor the setting and the quality of the work
- To ensure that within the assigned Key Stage in Science all statutory requirements are met and that procedures such as standardisation, moderation and examination administration are completed to a high standard
