

BICESTER LEARNING ACADEMY

APPOINTMENT OF TEACHER OF MATHEMATICS

Based at The Cooper School, Bicester OX26 4RS

About Us

Bicester Learning Academy is a multi-academy trust currently comprising The Cooper School and Glory Farm Primary School. The ambitions for the schools are high: that we should provide to all our students a first-class and improving education that enables them, in all aspects of their lives, to make the progress and achieve the standards that reflect their full ability.

The Cooper School

Choosing the right school to work in can be a minefield. The current political climate has resulted in there being a huge variety of types of schools to select from and not all types are right for everyone.

At The Cooper School, we pride ourselves on being forward thinking in terms of curriculum decisions which support our students; focused on improving learning through the use of new technologies and determined to continuously refine our approaches to teaching and learning. Investing in the Media Suite reflects a small part of our approach to making learning engaging, relevant and active for our students.

Joining us as a member of staff at The Cooper School means being able to see the big picture for the students here. It means that whilst we always strive for academic excellence, we also place great value upon students becoming adaptable, resourceful and enquiring. These are the sort of skills that will enable them to become effective citizens, just as much as their academic results will. As such, we encourage independent learning, enrichment initiatives and House-based teamwork and co-operation.

Working here is an opportunity to flourish as a professional. We 'grow our own' leaders. Many new staff have taken on additional responsibilities which is a mark of their quality and commitment to making progress in their own careers as well as their desire to become part of a successful and positive organisation.

We have just received a fantastic Ofsted report!
(June 2017)

Our school was praised because:

- We "are driven by a desire to raise the aspirations of all pupils and have maintained and developed the culture of school improvement".
- "There is a caring, nurturing and inclusive ethos that permeates the school".
- "The climate for learning is very positive and the level of pupil engagement is high".
- we "have placed high importance on the development of staff and there is a rich and varied programme of professional training, which is helping teachers to improve their practice".

Please have a look at the full Ofsted report which can be found here: <http://www.bicesterlearningacademy.co.uk/wp-content/uploads/2017/09/The-Cooper-School-ofsted17-PDF-final.pdf>

The school has also recently celebrated an outstanding set of A-level results, with students achieving the best grades since the opening of the Post 16 Centre in 2011. The 2017 A-level results saw 24% of students achieve an A*/A, 48% achieved A*- B, 80% achieved A*-C, and 98% achieved A*-E.

The school was equally delighted by the success of its Year 11 students in 2017, with 70% of students obtaining 5 or more 4+ grades, including Maths and English at GCSE.

This written policy on the recruitment of ex-offenders is made available to all disclosure applicants at the outset of the recruitment process through inclusion on The Cooper School and Glory Farm Primary School websites. The policy is also sent to applicants with the DBS application pack after acceptance.

We actively promote equality of opportunity for all with the right mix of talents, skills and potential and welcome applications from a wide range of candidates, including those with criminal records. We select all candidates for interview based on their skills, qualifications and experience.

Bicester Learning Academy will ensure that all those who are involved in the recruitment process have been suitably trained to identify and assess the relevance and circumstances of offences. It will also ensure that these members of staff have received appropriate guidance and training in relevant legislation relating to the employment of ex-offenders, e.g. the Rehabilitation of Offenders Act 1974.

At interview, or in a separate discussion, Bicester Learning Academy will ensure that an open and measured discussion takes place on the subject of any offences or other matter that might be relevant to the position. Failure to reveal information that is directly relevant to the position sought could lead to withdrawal of an offer of employment.

We make every subject of a DBS check aware of the existence of the Code of Practice and make a copy available on request.

We undertake to discuss any matter revealed in a DBS check with the person seeking the position before withdrawing a conditional offer of employment.
