## LOUGHBOROUGH Grammar School

Loughborough Grammar School is one of the oldest independent schools in the country, able to trace its origins back to 1495.

While we are proud to be able to look back over 500 years of educational achievement, we are anything but old school in the opportunities, facilities and teaching we provide as an independent boys school of international renown.

Academic achievement will always be our focus, as examination grades open doors. However, our ambition is much broader: Grammar School boys are intellectually curious, self-motivated and acutely aware of their responsibilities towards others. Our boys are equally at home in work and play and acquire the

moral compass they require to become not only successful professionals, but perhaps more importantly, empathetic colleagues, friends and partners.

In this, our seventh century of teaching, we continue to pursue all that is best from what we have learned over so many generations of educating boys.

It is, we would hope, not only a wonderful place to spend your school days but an equally rewarding and stimulating place in which to work. The two are inexorably connected, relying as we do on the very best teaching staff to inspire and guide boys to become the very best version of themselves.

If you have the skills, experience and ambition to contribute to that very worthwhile goal, we do hope you will consider joining us in our endeavour.

## Loughborough and the East Midlands

Loughborough is a thriving university town of about 65,000 people (supplemented by 17,000 students in term-time) with a feel of a much larger conurbation. It has a strong sense of community and is very well provided for with amenities including two cinemas, museums, parks and a very wide range of shops and restaurants and a popular market on Thursdays and Saturdays. The three cities of the East Midlands (Leicester, Nottingham and Derby) are all half an hour away by car – less by train, and all include outstanding cultural and sporting venues. The town itself is surrounded by picturesque villages in the rolling Leicestershire countryside.

The East Midlands are extremely well connected to the rest of the country through an excellent network of transport links. Loughborough is 75 minutes by train from St Pancras in London, and the M1 lies only 3 miles from the town centre. East Midlands international airport is just to the North of the town. In addition, this is one of the rare regions in England where property prices remain at a relatively affordable level for teachers with young families.
