## Achieve more than you believe possible

Hastings School aims to provide a high-quality education within a culture of care. It is a school that is growing rapidly with a new 21st Century Sixth Form teaching block opening in September 2019.
As part of the Cognita Group, staff are able to access considerable professional development opportunities and share best practice with colleagues in other schools.

## About Madrid

Most teachers who come to Madrid choose to stay as it offers a superb quality of life with wonderful weather, culture, sport, food and people (something for everyone!). You can even find skiing during the winter only one hour north. It is a great base from which to explore Spain and Europe and the cost of living is lower than the UK.

We offer a competitive salary and 100% remission for staff children.

Candidates should complete and send in the attached application form, including the contact details of 3 referees and a concise cover letter by email to: recruitment@hastingsschool.com.

The closing date is 20th May 2019 but early applications are encouraged - we reserve the right to appoint prior to this deadline. Further details will be sent to short-listed candidates only. Interviews will be held in March.
