*Care, Courtesy, Co-operation*

Date as Postmark

Good Morning!

I am delighted that you are interested in the post of Headteacher at Broadstone Middle School. The school became an Academy as part of a "sponsored solution" brokered by the Department for Education in September 2014. The change of leadership led to a restructure of staffing and many procedures put in place to ensure the school was acting within statutory responsibilities. We are now ready to welcome a new Headteacher to take our school into what we know will be a bright future.

The school is part of the Castleman Academy Trust. At present Broadstone First School is part of our "family" but the vision is to grow the Trust in due course. Broadstone First is the lead school for the Poole Teaching School Alliance. Working with us gives you easy access to the opportunities on offer from the Alliance.

We work very closely with other schools in the Pyramid and are particularly keen to develop our Year Seven and Eight offer with our colleagues at Corfe Hills Upper School. We offer a Primary way of working to our Years Five and Six, as we believe this way of working ensures better outcomes for youngsters and supports our commitment to providing a nurturing environment for learners.

There is no doubt that the school has faced significant challenge over the past few years. We are looking for someone who cares deeply about learners, their parents and carers and the staff and governors. We need a committed professional, who will empower others to be the best teachers and leaders they can be. A sense of humour is vital as is a "can – do" attitude. Our work is deeply serious and there is much to be done to ensure our next OfSTED inspection is successful, but we do also enjoy our work and our learners are fabulous! The staff are highly motivated and are determined to rebuild our reputation in the community.

Poole is a wonderful place to live with a beautiful environment and good amenities. Although a small Local Authority, we work in close partnership with other schools and organisations including the Poole Schools Association and the Poole Teaching School Alliance. You can expect excellent support from the Executive Headteacher, other Heads in the Multi Academy Trust, the Trust Board and the Governors.

Nothing except a visit will give you a true picture of what we have to offer and what a difference you can make to our Learning Community. Visits are warmly welcomed and highly encouraged. Please call Rhonda Moore on 01202 642773 to arrange a visit.

Thank you again for your interest and I look forward to hearing from you in the near future.

Yours sincerely,

Rhonda Moore

Executive Headteacher
