

King's Academy Binfield

Dare to be Remarkable

April 2019

Dear Applicant,

Thank you for taking the time to find out more about the role of primary class teacher at King's Academy Binfield (KAB) and King's Academy Oakwood (KAO).

We opened in September 2018 with just 120 fabulous Year 7 students and will rapidly grow year on year to our capacity of over 1800. This provides an outstanding opportunity to ensure from the outset that all we do and how we do it is based on the most outstanding practice which enables all our students to flourish. Our staff team whilst small initially too, will also grow rapidly year on year as per the students. This means all staff will be expected to commit to all aspects of academy life to ensure the students get the exceptional education and experiences they deserve.

The primary phase at KAB (1FE until 2020 and then 2FE thereafter) and King's Academy Oakwood (KAO), a one-form entry primary school a mile away, which will be run as an intrinsic part of KAB, open in September 2019 with students from Nursery to year 2 as well as our new year 7 intake of 150. The successful applicant will teach a mixed year 1 and 2 class at KAO for the first year.

The successful applicant will be an outstanding class teacher who will work alongside our EYFS Leader and Head of Primary to ensure the best start for our children. You will commit to our moral imperative of 'whatever it takes' and to the ethos of embedding a genuine thirst for learning and relentless pursuance of excellence whilst always considering the well-being of the students and the staff.

We are looking for someone who is creative, flexible and a great team player. You will be excited by the prospect of supporting the creation of a learning journey from 4 to 18 and will be eager to learn about outstanding primary and secondary pedagogy and how that might impact on teaching and learning throughout all key stages.

Having been hugely oversubscribed for our first cohorts, it is incumbent on us to honour the trust the community have placed in us by ensuring KAB and KAO provide an excellent, all round education.

I hope that this information is useful. If you require further information or wish to arrange a visit please do not hesitate to contact Amber Walker, my PA via email; amber.walker@kingsacademies.uk or phone, 01344 306983.
