

May 2017

Dear Candidate

Re – Vacancy – Teacher of RE

Thank you for applying for the above post at Mayfield School.

This a very exciting time for the school, which has had £20m investment in new facilities, with the school welcoming 2 extra forms of entry into Year 7 in September 2014, and 4 extra in September 2015 & 2016, which will continue until the school reaches its 12 form of entry.

We are looking to appoint a teacher of RE, able to teach up to KS5, as there will be A 'level RE on their timetable, to work in a very busy vibrant Humanities Faculty. This role will involve teaching Philosophy at KS5 (Year 13) for the academic year 17/18 only, therefore candidates should have experience of teaching Philosophy. Our expectation would be that the appointed candidate would be able to teach other subjects within the Humanities Faculty. NQT's are welcome to apply for this post.

Please see the generic job description. Further information about the school including a prospectus and Ofsted report can also be found on the website, www.mayfieldschool.net

Please complete the teaching application form, which should be emailed to Tina Vorley, Head of HR & Student Services – vorleyt@mayfieldschool.net before the closing date Sunday 21 May 2017 – 12:00 noon.

Pre-application visits are positively encouraged; should you wish to arrange a visit or require any additional information, please contact Tina at the school on the above email address or on her direct line 0208 215 7760.

Yours faithfully

Andy Rehling
Headteacher

A Humanities and Arts Specialist School
