

KING'S COLLEGE SCHOOL
WIMBLEDON

Gap Year Educational and Research Administrative
Assistant (King's International)

WELCOME TO KING'S COLLEGE SCHOOL

Thank you for your interest in joining our school community.

As you learn more about us, I hope you will discover that King's is a truly wonderful environment in which to teach, work and learn, with pupils who are inquisitive, creative and eager to learn, on a campus which is well-resourced and recently renewed, and alongside other dedicated staff whose expertise, care and commitment lie at the foundation of everything we do.

King's is one of the most successful schools in the world, and our vibrant and caring community is a special place to learn and grow for boys aged 7-18 and girls aged 16-18. With over 1,500 pupils and approximately 450 staff, we are located in one of the most attractive and peaceful parts of London, opposite 1,140 acres of countryside of Wimbledon and Putney Commons and just a short walk from the picturesque Wimbledon Village.

Our school was founded in 1829 by Royal Charter as the junior department of the university, King's College London, and as such, intellectual aspiration and a progressive spirit are our heritage. Today, we offer an education of the whole person, in Mind, Spirit and Heart, the enduring ethos of our foundation. Our guiding mission is to look outwards, to the world beyond school, and to life at 25: we look to the lives we are preparing our young people to lead, so that when the time comes, they are ready to forge the pathway they choose, and to make a purposeful impact.

We aim for each of our pupils to enjoy an exhilarating adventure of learning and to pursue academic excellence within a fun, caring, welcoming environment. Academic outcomes at A level, IB and GCSE consistently place King's amongst the very top schools nationally and globally, with over half of A level and IB grades at A* or equivalent last

summer, and we were delighted to be the highest placed independent co-educational day school, and to be named Independent International Baccalaureate School of the Year, in The Sunday Times Parent Power 2025.

Supporting our pupils to grow strong in spirit, in the shared values and qualities of character that will ground them, is equally important at King's. Kindness, respect and support for one another; a broad-minded outlook and a commitment to inclusivity, are central to our community, as is the co-curriculum, which enables pupils to develop broad skills and resilience as well as to discover lifelong passions through clubs and societies, CCF, Duke of Edinburgh, sport, the arts, and community partnerships.

The next few years will be a very exciting time for us as we enter the next chapter of the school's strategic development, and as we seek to strengthen our community in preparation for our 200th anniversary in 2029. We hope you consider joining us for this adventure.

THE DEPARTMENT

King's College School Wimbledon International (KCSWI) was established with a number of aims. We wanted an additional income stream to help us provide a much greater number of bursaries to children whose families could not otherwise afford the fees at King's Wimbledon. Beyond that, we wanted to find a way in which the strengths, understandings and values of King's could be shared with a wider range of children, teachers and parents abroad. Finally, we wanted to provide new and exciting partnerships, reciprocal experiences and opportunities for staff and students both at King's and at our overseas schools. Today, the overseas income plays a key part in funding a significant proportion of our bursary provision and we have established a number of highly successful, global partnerships which enrich the lives of students across the network of schools and enable staff to collaborate in a valuable and innovative way.

In 2015, KCSWI signed a framework agreement with Dipont Education, a leading educational business in China, to provide consultancy advice on school projects across the territory; there are now three schools based in Wuxi, Hangzhou and Chengdu in this partnership.

In August 2020, KCSWI was delighted to announce the signing of a collaboration agreement with the International School of Monaco (ISM). The ISM is seeking to become a leading international school in Europe, and we are working closely with the school in all areas of school life to support them achieve this goal.

Another key milestone in KCSWI's development was the opening of King's College International School Bangkok, Thailand, in September 2020. The vision for the school is to replicate the educational excellence, standards and culture of King's Wimbledon as authentically as possible in Bangkok to make it a leading school in Asia. This has been a resounding success, and King's Bangkok now has c1,530 students on roll, making it the most successful opening of an international school in Bangkok in recent times. There is also incredibly strong interest in working at King's Bangkok from staff, and the school has received over 17,000 applications for teaching posts in total.

As the number of schools in the King's network has grown, we have seen significant benefits for students and staff alike. We pride ourselves on working closely together to share educational expertise and best practice, and to create outstanding professional development opportunities as a group of schools. Over the last year alone, over 230 staff from across the six schools have taken part in exciting opportunities, such as middle and senior leadership courses, teach meets, teaching and learning webinars, and work on practical implementation of cutting-edge educational research through the termly academic focus groups.

INCLUSION AT KING'S

King's aims to be a diverse and equitable environment where all staff and pupils feel they belong. The community aims to foster an ethos of social awareness and respect for difference, creating a welcoming and inclusive culture where every member of our community is valued and respected as their authentic self, regardless of difference. Establishing this sense of belonging and community is central to the ethos of King's and is outlined in the 'Inclusivity at King's' statement.

The school has developed a comprehensive equality, diversity and inclusion (EDI) programme that spans all areas of school life, including our wider school community. Our director of EDI oversees our work in this crucial area, working closely with our EDI mentors who support pupils around issues including sexuality, gender and race.

There are a wide range of thriving pupil advocacy and discussion groups who meet regularly, including our African Caribbean society, our East and South-East Asian society, our Pride group, our neurodiversity society, our interfaith discussion group and Her'd, our group for girls. Alongside this, the school holds regular talks and workshops on EDI topics to ensure that inclusivity remains a central part of the daily life at school and is at the heart of all that we do.

LIVING AND WORKING IN WIMBLEDON

Wimbledon is famous for its annual Grand Slam tennis tournament, but that is not the only thing that makes living and working in Wimbledon an attractive proposition.

The area is one of the safest parts of London and provides a wonderful mix of town and Village life. The streets are bustling and lined with bars, restaurants and shops and the charming children's Polka Theatre is situated in the centre of Wimbledon. King's is located on the edge of Wimbledon Common, at the beginning of one of the largest areas of green, recreational space in the whole of London. The Common, which extends to Richmond Park, is home to a 19th century windmill and an Iron Age fort.

One of the best things about working in Wimbledon is its connectivity. Wimbledon station is located in zone 3, approximately 10 minutes from Clapham Junction and 20 minutes from London Waterloo. There are regular trains to numerous destinations, including Kingston, Epsom and Richmond. Wimbledon can also be reached by tube, via the District line, and by tram, which connects to places such as Croydon and Beckenham. King's is also in a convenient location for road users, with its proximity to the A3 providing an excellent link to the M25. There is a morning shuttle bus for staff which runs from Wimbledon Station to the school.

Although property prices are high in and around Wimbledon Village, there are affordable options a little further away. Many staff choose to live in Central and South Wimbledon or Raynes Park, which is a 15 minute walk from King's. Other nearby options include Motspur Park, Worcester Park, Clapham, Tooting and Earlsfield but plenty of colleagues prefer to commute from Surrey, where Esher, Epsom and Ashstead are popular choices.
